

MEMORANDUM
COUNTY EXECUTIVE OFFICE
Procurement Services Division
County of Placer

TO: Board of Supervisors
FROM: Todd Leopold, County Executive Officer
By: Brett Wood, Purchasing Manager
SUBJECT: Cancellation of Bid No. 20082 - Eastern Regional Landfill Stormwater Improvements Project

ACTION REQUESTED

Authorize the Purchasing Manager to cancel competitive Bid No. 20082 for Eastern Landfill Stormwater Improvements Project.

BACKGROUND

The Department of Public Works (DPW) - Environmental Engineering Division requires improvements of the Eastern Regional Landfill Stormwater project. Recent analysis of samples collected in the inert processing area have exceeded the Permit limits for iron. A stormwater treatment facility is required in this area in order to comply with the Permit.

The Department of Public Works requires a contractor to develop a stormwater treatment facility in order to comply with the Permit. To identify a qualified construction agency, DPW enlisted the assistance of the Procurement Services Division to develop Bid No. 20082. Eighty (80) firms were notified of the bid, and formal responses were received from eight (8) firms. Bids were publicly opened and read on April 22, 2020.

Following an extensive review and information gathered throughout the evaluation process, the department determined that all bids exceed the available budget for this project and has decided not to proceed with it. The Procurement Services Division has notified all responding bidders of the intent to cancel the bid. Procurement has received no bid protests.

Therefore, in accordance with Section 3.4 (G) (3) of the Procurement Policy, your Board's approval is required to cancel competitive Bid No. 20082.

FISCAL IMPACT

There is no immediate fiscal impact resulting from this action.
