

## MEMORANDUM PROBATION DEPARTMENT

County of Placer

TO: Board of Supervisors

DATE: June 23, 2020

FROM: Marshall Hopper, Chief Probation Officer

SUBJECT: Pathways iCare Facility | Memorandum of Understanding with Placer County Office of Education

---

### **ACTION REQUESTED**

Authorize the Chief Probation Officer to sign a Memorandum of Understanding (MOU) with Placer County Office of Education for jointly funding prevention support staff at the Pathways iCARE Facility, located at 655 Menlo Drive, Rocklin, CA, in an amount not to exceed \$62,000, for the period of July 1, 2020 through June 30, 2021, as well as subsequent amendments up to 10 percent, consistent with the MOU's subject matter and scope of work, with Risk Management and County Counsel concurrence. Funding is provided by the Juvenile Justice Crime Prevention Act through Probation's budget.

### **BACKGROUND**

Since 2001, the Juvenile Justice Crime Prevention Act (JJCPA) has provided funding to implement programs that impact juvenile justice throughout the County. The Pathways iCARE Facility (formerly the Youth Resource Center) which was established in 2001 provides essential educational and life skills programs to at risk children in our community. While this facility is located in Rocklin, services are provided to youth throughout western Placer County.

This memorandum of understanding continues the formalized relationship between the County and the Placer County Office of Education (PCOE) in regard to activities at the Pathways iCARE Facility to address the needs of at risk minors. The minors at the Pathways iCare Facility are referred from local schools due to the inappropriate behaviors exhibited. Jointly, we work to provide necessary life skills to these minors to aid them in making appropriate choices moving forward. The Juvenile Justice Coordinating Council recommended the County's Comprehensive Multiagency Juvenile Justice Plan (CMJJP) in accordance with the State's funding allocation in April of this year. The CMJJP includes the services to be provided through the Pathways iCARE Facility in Rocklin. This agreement addresses the exchange of services between the two agencies, with no more than \$62,000 of JJCPA funds being transferred to PCOE. This agreement partially funds a PCOE position to coordinate afterschool services at the facility.

### **FISCAL IMPACT**

There is no new County cost associated with this agreement. The costs associated with this agreement are included within the Department's FY 2020 - 2021 Proposed Budget and funded with Juvenile Justice Crime Prevention Act monies.

The MOU is on file with the Clerk of the Board.
