

Anne M. Carpenter

Clerk of the Board of Supervisors
175 Fulweiler Avenue Room 101
Auburn, CA 95603

The Board of Supervisors:

My name is Anne Carpenter and I am a resident of Roseville, California. I wanted to provide additional comment to my application for the County Parks Commission. I am applying for this commission because I believe parks are a very important part of any community. It provides a safe place for children to play, to run around and as in my case to learn sports. I remember as a young person having soccer practice, little league practice and even tennis lessons at our local parks. Without a park, my college experience might have been quite different. Parks are also great places for people to gather and reconnect.

I am very fortunate to live in a community where parks are an important part of the landscape. They are taken into consideration in most developments and with the intent to be only about a 15-minute walk away. I consider our county to be one of the most beautiful places to live and with some of the great parks in places from Roseville to Tahoe we are a destination spot. As a part of the commission, I want to continue with the values of our communities to have great parks and places to recreate.

I know in my community, with the recent pandemic, people have come to value parks like never before! It would be an honor for me to serve on this commission and I hope that I will get the opportunity. Feel free to reach out to me with any questions at 916-300-6816.

Thank you for your consideration,
