The Mandarin Market will be held at our beautiful Gold Country Fairgrounds on November 20th-22nd, 2020. Despite a significant reduction in attendees due to the COVID-19 pandemic we are making sure that our local mandarin growers have an opportunity to sell their current harvest and with your support we can help them accomplish their goal!

The Gold Country Fair/20th District Agricultural Association is a tax-exempt entity under the California Revenue and Taxation Code Section 23701a. It was created to further the art and science of cultivating land, harvesting crops, and raising livestock. Our mission includes the support of our farmers through education, events, and programs designed to emphasize the role agriculture fills in our community.

I would like to request \$4000.00 in Revenue Sharing Funds and all contributions will be used to offset the costs related to the event.

Thank you for your consideration and "Together We Can Make a Difference."

Warm regards,
