Clerk of said Board

WHEREAS, periodic adjustments should be applied to the County's Capital Improvement Program (CIP) and Traffic Impact Mitigation Fee Program to ensure sufficient funding of the CIP projects; and

WHEREAS, current County Ordinance Subsection (f) of Section 15.28.030 of Placer County Code provides a mechanism to adjust the cost estimates within the Capital Improvement Program and associated fee schedule used to collect fees through the Traffic Mitigation Fee program; and

WHEREAS, the purpose of the project costs adjustment shall be to continue appropriate funding for transportation projects identified in the Capital Improvement Program by keeping pace with costs for construction. All collected fees will continue to be used as set forth in the Traffic Impact Mitigation Fee program; and

WHEREAS, transportation projects/programs are identified within the various Capital Improvement Programs which accommodate cumulative traffic impact associated with future development and regional traffic growth may be funded in whole or partially with fees collected through the County's Traffic Impact Mitigation Fee Program; and

WHEREAS, the Department finds this update to be applicable to the identification of future infrastructure needs; and

WHEREAS, there still exists a reasonable relationship between the fee's use and the type of development project on which the fee is imposed; and

WHEREAS, there still exists a reasonable relationship between the need for the Capital Improvement Program and the type of development projects on which the fee is imposed; and

WHEREAS, there still exists a reasonable relationship between the unexpended funds in the current fee programs and the improvements for which they were collected.

BE IT RESOLVED, by the Board of Supervisors, County of Placer, State of California, that this Board approves an update to the Placer Central district of the Countywide Capital Improvement Program to add the Crosby Herold at Doty Ravine Bridge Replacement project as shown in Attachment 2.
