WHEREAS, with this Resolution, the Placer County Board of Supervisors desires to open a new outside checking account for Placer County Children's System of Care for the purpose of providing full-service partnership wraparound as a component of Proposition 63, Mental Health Services Act.

WHEREAS, Children's System of Care is the mandated Child Protection/Welfare Service agency. The purpose of this program is to ensure the safety and well-being of children in the community by providing services immediately to families to reduce out of home placement or allow children to return home. The immediate needs checking account will ensure staff has timely access to flexible funds as required by program guidelines. If a need arises after business hours, staff must be able to have access for amounts under \$500 within 2 hours and within 24 to 48 hours for amounts of \$500 or greater. The establishment of an immediate needs checking account will provide this program with adequate funding when needed for these situations.

NOW THEREFORE, Be it hereby resolved by the Board of Supervisors of the County of Placer, State of California, to approve the opening of an outside checking account for Placer County Children's System of Care Immediate Needs.
