

# Water Efficient Landscape Worksheet

Permit Number: \_\_\_\_\_ Total Landscape Area = \_\_\_\_\_  
APN: \_\_\_\_\_ Total Site Area = \_\_\_\_\_

**Check the following as it applies to the landscape portion of the project:**

Part A - Exempt \_\_\_\_ Part B - 500 – 2,500 Square Feet \_\_\_\_ Part C - Over 2,500 Square Feet \_\_\_\_

The landscape worksheet shall be returned at the completion of the landscape installation. A final inspection, by County staff, is required to verify the installation of the landscape and irrigation system prior to final inspection of associated permit(s).

**Part A – Exemption.** The following landscapes are exempt from the County’s WELO ordinance. If your landscape is one of these, please check the box and sign below:

- Landscape under 500 square feet/No landscapes proposed.
- Registered local, state or federal historical sites.
- Ecological restoration projects that do not require a permanent irrigation system.
- Mined-land reclamation projects that do not require a permanent irrigation system.
- Existing plant collections, as part of botanical gardens and arboretums open to the public.
- All real property located within the boundaries of the Placer County Tahoe Basin Area Plan.

Property Owner

“I/we certify that I/we will not install landscaping (greater than 500 square feet) after the final of the building permit. I/we understand that an unpermitted landscape installation, associated with a building permit project, will be subject to enforcement actions by the county.”
