

Placer County Conservation Program: **RESIDENTIAL BUILDING PERMITS**

Building Permits in Plan Area A: Valley, are subject to new fee and authorization application requirements for improvements over 5,000 square feet.

Parcel Size

Fees apply to existing parcels greater than 20,000 square feet

Habitats

Fees apply to land conversion and impacts to wetlands, woodlands, and streams

Species Surveys

Pre-construction species surveys for protected species may be required

Placer County Conservation Program: **RESIDENTIAL BUILDING PERMITS**

AVOIDANCE AND MINIMIZATION

Fees can be minimized by avoiding the areas of your property that would require fee impacts, wet areas, and streams. Not only will this reduce your fees, but it will help keep Placer a beautiful and biologically diverse area to call home!
