SUBJECT: Approval and Appropriation of Park Dedication Fees / Budget Amendment / Foresthill Park Improvements

ACTION REQUESTED

Approve the use of Park Dedication Fees in the amount of \$60,000 from Park Dedication Fee Area #4, Foresthill-Todd Valley Area, for improvements at the Leroy E. Botts Foresthill Memorial Park, and approve a budget amendment (AM-00460) appropriating those funds to the Foresthill Capital Project No. PJ00760 (Foresthill Park Improvements).

BACKGROUND

Placer County owns and operates the Foresthill Leroy E. Botts Memorial Park (Park). The Park includes a baseball field, softball field, tennis courts, playground, horseshoe pits, gazebo, basketball court, volleyball court, memorial hall, and museum. A map of the existing and proposed park amenities is attached as Exhibit A.

On November 19, 2020, the Parks Commission unanimously recommended approval the use of Park Dedication fees for several projects proposed for the Park, including renovation of the tennis/pickleball courts, as well as construction of vendor pads and a bocce ball court. A complete resurfacing of the courts and painting of the tennis/pickleball stripes is necessary for longevity of use. The vendor pads would be utilized at the Foresthill functions held at the Park (currently three times per year) and would be spaced to allow use of the pads for cornhole games or 4-square games throughout the year. Lastly, a project has begun with an Eagle Scout from the community to construct a bocce court. The County is proposing the use of Park Dedication Fees to help assist the Eagle Scout and volunteer group with matching costs for the total project.

ENVIRONMENTAL IMPACT

These improvement projects are categorically exempt from CEQA review pursuant to CEQA Guidelines Section 15301(c), "Existing Facilities" and Section 15304 "Minor Alterations to Land".

FISCAL IMPACT

The available fund balance in Park Dedication Fee Area #4, Foresthill-Todd Valley Area, is \$154,605. If these three recommendations for Park Dedication Fees are approved by your Board, the request would total \$60,000, which would leave a fund balance of \$94,605.
