HEALTH AND HUMAN SERVICES
ADMINISTRATIVE SERVICES
County of Placer

TO: Board of Supervisors

DATE: June 22, 2021

FROM: Robert L. Oldham, MD, MSHA, Director of Health and Human Services

SUBJECT: Resolution Authorizing the Director of Health and Human Services, or Designee, to Execute Specified Agreements

ACTION REQUESTED

Adopt a Resolution authorizing the Director of Health and Human Services, or designee, to execute forty-eight identified agreements for various Health and Human Services (HHS) divisions and types of services pursuant to the terms contained in the Resolution (HHS Annual Contract Resolution) in the amount not to exceed \$8,284,765.

BACKGROUND

The Health and Human Services Department administers over 600 contractual agreements, with the majority requiring Board of Supervisors approval. In prior years, each contract was submitted individually for Board approval which created a significant workload on the part of HHS, County Counsel, CEO, and the Board of Supervisors. To address this issue, a single Resolution was implemented to minimize County workload while allowing for the negotiation and approval of dozens of agreements with oversight from CEO, County Counsel, and Risk Management.

The single Resolution process has been a time-saving arrangement first approved by your Board on October 23, 2001 and has been successfully utilized over the past 20 years. Thousands of dollars in staff time will be saved by approving these forty-eight agreements in one Board action. Approval of this Resolution in no way obligates the County to move forward with any individual contract agreement should funding or other circumstances change.

These agreements provide a variety of vital and often mandated services to the community and residents, including family resource services, inpatient psychiatric services, and prevention and early intervention services. The following criteria were used to select these expenditure agreements:

- Recurring agreements with an annual contract amount of less than \$400,000 each.
- Agreements which were originally approved as stand-alone items by the Board of Supervisors.
- Agreements to be executed with effective beginning dates during FY 2021-22.
- Agreements that do not currently require a competitive bid/proposal process.

The Annual Contract Resolution, which identifies specific expenditure contracts to renew, is structured the same as this portion of the combined "Super Reso" in the past. It provides for a potential change of no more than 10 percent on expenditure agreements to allow for possible changes in normal operational costs within the existing scope of services. The Annual Contract Resolution provides that the execution of any agreement is subject to concurrence with Risk Management and County Counsel.

FISCAL IMPACT

All listed contracts in the Annual Contract Resolution are included in the Department's FY 2021-22 Budget. These forty-eight agreements are for expenditures with a current total of \$6,846,912. Expenditure agreements executed as a result of this Resolution will remain within a 10 percent increase of the prior term's annual amount for a potential total of \$7,531,604, are included in the Department's FY 2021-22 Budget, and will be funded through multiple sources. The \$6,846,912 total was funded through multiple sources, including \$4,673,595 from Federal and State funding, \$383,733 through private payers and specified Trust funds, and \$1,789,584 in County General Fund contributions. With the potential of the ten percent change for normal operations in this fiscal year, and if the amendment authority for these agreements is exercised, the total amount will not exceed \$8,284,765 and is contingent upon available funding.

Signed and approved by me after its passage.

Chair, Board of Supervisors

Attest:

Clerk of said Board

BE IT RESOLVED, by the Board of Supervisors, County of Placer, State of California, that the Board of Supervisors of the County of Placer, State of California, adopts this resolution authorizing the Director of the Department of Health and Human Services, or designee, with express concurrence of County Counsel and Risk Management, to enter into and execute the contractual agreements identified on the attached Matrix on behalf of the County of Placer, Department of Health and Human Services (HHS).

BE IT FURTHER RESOLVED, that the Director's authority to enter into these contracts is subject to the following: (A) All contracts to be included on the attached Matrix are routine agreements which are, effectively, renewals of reoccurring contracts which were previously approved by action of the Board on its regular agenda; (B) The attached Matrix identifies the prior agreement's final, total contract amount; (C) Contract provisions should be consistent with the prior agreement's purpose, subject matter, and scope of work; (D) The contract may be entered into with the party identified on the attached Matrix and/or that party's successor in interest; (E) Each contract should include a contract term that is not longer than two years; (F) Each contract should include a maximum contract amount that is no greater than the total of the "contract amount" identified on the attached Matrix plus 10 percent, and not greater than \$400,000 annually; (G) The Director, or designee, may enter into amendments to these contracts as long as the total of all amendments do not increase the maximum contract amount by more than an additional 10 percent of the amount authorized in the previous subparagraph, and any amendments are consistent with the current agreement's subject matter and scope of work; (H) The Director, or designee, may continue to enter into amendments to contracts executed under prior HHS Annual Contract Resolutions as long as the total of all amendments do not increase the maximum contract amount more than what was originally authorized in that prior Resolution; (I) This resolution is not intended to guarantee a contract, particular provision, or amendment to any party.

BE IT FURTHER RESOLVED that this resolution supersedes any prior HHS Annual Contract Resolutions, and the authority delegated to the Director of HHS, or designee, under any such resolution has therefore expired.
