SUBJECT: Community Facilities District No. 2012-1 (Sunset Industrial Area Services) – Annexation #12 for 1111 Tinker Road, Rocklin, California (Assessor Parcel Number 017-303-008)

ACTION REQUESTED

1. Adopt the ordinance (introduced on July 6, 2021) levying special taxes for the fiscal year 2022-2023 and following fiscal years solely within and relating to the County of Placer CFD 2012-1 (Sunset Area Industrial Services).

BACKGROUND

The ordinance was introduced on July 6, 2021, with the oral reading waived. No changes have been made to the ordinance since the introduction.

The Placer County Board of Supervisors (Board) established CFD 2012-1 for the financing of the fire and emergency services within the Sunset Area by passage of Resolution 2012-260. Resolution 2012-260 incorporates the Rate and Method of Apportionment of Special Tax (Rate and Method) and designates the Future Annexation Area of CFD 2012-1 (Annexation Area). The Sunset Industrial Area Services Boundaries of Future Annexation Area of Communities Facilities District No. 2012-1 was recorded on December 17, 2013 in the official records of Placer County (Doc 2013-011507-000). Annexation #12 lies with the Annexation Area.

The purpose of the formation of CFD 2012-1 is to have the ability to levy special taxes to fund fire and emergency services required within the Sunset Area. The primary use of CFD 2012-1 revenue is to support the operations of Station 77 located within the Sunset Area on Athens Avenue. CFD 2012-1 is intended to equitably spread costs of both fire protection and emergency medical services to new development within the Sunset Area via a special tax. Annexation of parcels within the Sunset Area is consistent with the recently updated Sunset Area Plan Policy PS-8-5, which also requires new development or redevelopment within the Sunset Area to annex into CFD 2012-1.

On July 6, 2021, the Board conducted a public hearing and held the landowner election. The results of the election were unanimously in favor of the levy of special taxes.

ENVIRONMENTAL DETERMINATION

This is an administrative action required pursuant to the conditions of approval. As such, it is not a separate project under the California Environmental Quality Act pursuant to CEQA Guidelines Section 15378(b) and is not subject to further environmental review.

FISCAL IMPACT

The current Rate and Method states that the maximum special tax that will be levied on developed property shall be the greater of (i) \$0.10 per square foot or (ii) \$956.07 per acre. The Rate and Method further states that on each July 1st, the maximum special tax assessed will increase based on the local consumer price index for the San Francisco – Oakland – San Jose for All Urban Consumers and the CPI used shall be as determined by the Bureau of Labor Statistics from January to January.

This annexation into CFD 2012-1 meets Placer County's General Plan Goals and Policies and the recently updated Sunset Area Plan policies associated with the equitable apportionment of fire service costs within the Sunset Area and will allow for gradual reduction in the outside contributions to fire services within the Sunset area that support the operations of Station 77.
