WHEREAS, on January 12, 2021, the Board approved the project plans and specifications for the Crosswalk Enhancement Project, authorized the Director to request Advance Construction authorization from Caltrans, and authorized solicitation of bids for this project; and

WHEREAS, Caltrans authorized construction on February 9, 2021; and

WHEREAS, the County opened bids on April 5, 2021 and Baldoni Construction Inc. submitted the lone bid for the project; and

WHEREAS, the Board rejected the lone bid from Baldoni Construction, Inc. due to unmet Disadvantaged Business Enterprise (DBE) requirements; and

WHEREAS, the County opened bids for the project for a second time on June 7, 2021; and

WHEREAS, the time constraints created by the timing of the construction authorization by Caltrans make it impractical to be able to bid and complete the project and the public interest will not be served because of the additional cost associated with delaying construction.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Placer, State of California, that the Board authorizes the Director of Public Works, or designee, to award and execute a construction contract for the Crosswalk Enhancement Project to the lowest responsible and responsive bidder, upon Risk Management and County Counsel concurrence, for an amount not to exceed \$650,000 and to execute changes to the contract up to \$45,000 consistent with Public Contract Code Section 20142 and the County Procurement Policy Manual.
