COUNTY EXECUTIVE OFFICE
OFFICE OF EMERGENCY SERVICES
County of Placer

TO: Honorable Board of Supervisors DATE: August 10, 2021

FROM: Todd Leopold, County Executive Officer
By: Dave Atkinson, Assistant Director of Emergency Services

SUBJECT: Resolution to Ratify the Proclamation of a Local Emergency in Placer County

ACTION REQUESTED

Adopt a Resolution to ratify a Proclamation of a Local Emergency in Placer County due to the River Fire.

BACKGROUND

When a condition of extreme peril or potential peril to the safety of persons and property exists, and the condition is beyond the capability of local forces to control effectively, the Board of Supervisors or a person authorized by the Board may proclaim that a local emergency exists. A local emergency may be proclaimed to exist due to a specific situation, such as flood, fire, storm, earthquake, epidemic, drought, sudden and severe energy shortage, or other condition, as authorized by Section 8630 of the California Government Code.

The River Fire near Colfax started on August 4, 2021. The Placer County Office of Emergency Services activated the Emergency Operations Center at level 2 on that same day. The fire subsequently crossed the Bear River, also entering Nevada County. As of 7:00 a.m. Friday, August 6, 2021, the fire was estimated to be 2,600 acres and 30% contained. The fire threatens major infrastructure as well as homes and other structures. Furthermore, there has been a loss of electricity and water to approximately 2,000 residents.

The action before your Board asks for your Board to ratify the Proclamation of local emergency issued by the County's Director of Emergency Services on August 5, 2021.

Additional facts and updates will be provided at the time this item is presented to the Board.

FISCAL IMPACT
