MEMORANDUM
HEALTH AND HUMAN SERVICES
HOUSING AUTHORITY
County of Placer

TO: Placer County Housing Authority **DATE:** August 31, 2021

FROM: Placer County Housing Authority Executive Director

BY: Joey Wojtowicz, Staff Services Analyst II

SUBJECT: Homeless Resource Council of the Sierras Amendment

ACTION REQUESTED

Approve an amendment to a non-monetary agreement with Homeless Resource Council of the Sierras to add funds in the amount not to exceed $65,000 and authorize the Executive Director or the Chair of the Housing Authority Board to execute the amendment with Risk Management and County Counsel concurrence, and to sign subsequent amendments up to $6,500 consistent with the agreement's subject matter and scope of work with Risk Management and County Counsel concurrence.

BACKGROUND

The Placer County Housing Authority (PCHA) received a special allocation of 26 Emergency Housing Vouchers (EHV) by the U.S. Department of Housing and Urban Development (HUD). The EHVs will provide rental assistance to individuals and families who are experiencing homelessness; at risk of experiencing homelessness; fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking; or were recently homeless and rental assistance will prevent the individual or family's homelessness or high risk of housing instability.

HUD requires a partnership between the Homeless Resource Council of the Sierras (HRCS) and the Placer County Housing Authority as part of the voucher program. The MOU formalized the partnership and now PCHA would like to provide some funding to HRCS for some of the services they are providing under this MOU. The funding being added will allow the HRCS partner members to provide home finding assistance, housing maintenance support, and provide funds for costs associated with moving and case management.

FISCAL IMPACT

All expenditures for FY 2021-22 were included in the Department's FY 2021-22 Budget. Additionally, expenditures for subsequent fiscal years will be included in the Department's future budgets for the respective years.
