Subject: [EXTERNAL] Please don't mess with law enforcement salary
Date: Saturday, August 21, 2021 12:33:09 PM

Hello,

Do not do this behind closed doors please board members. Do not repeal measure F. I encourage you to consider the times we face. These men and women put their lives on the lines. They deserve the best! I feel as though you are disconnected from what's going on. We need to support our law enforcement more than ever right now. Do not mess with their salary. You will not be affected, but yet they sacrifice all. Don't take it for granted please.
