Re: Countywide Procurement Card Program Monitoring Review

Dear Ms. Nedved:

The Internal Audit Division of the Auditor-Controller's Office routinely reviews and/or audits the Procurement Card purchases. The objective of this monitoring review was to review Procurement Card usage during the statement period from September 26, 2020 through December 18, 2020 for compliance with County policies.

We reviewed a sample of the Facilities Management Department's (Department) Procurement Card purchases and related documentation files to ensure the Department's compliance with current policies and procedures, and to determine if adequate internal controls are in place and operating as designed. Based on our monitoring review, we determined that the Department's processes and internal controls over Procurement Card purchases are operating effectively as designed.

We appreciate the courtesy and cooperation of the Department's staff throughout the course of the review.

Respectfully,

Nicole C. Howard, CPA
Assistant Auditor-Controller
