Re: Countywide Procurement Card Program Monitoring Review

Dear Ms. Myren and Ms. Ivaldi:

The Internal Audit Division of the Auditor-Controller's Office routinely reviews and/or audits the Procurement Card purchases. The objective of this monitoring review was to review Procurement Card usage during the statement period from December 19, 2020 through March 12, 2021 for compliance with County policies.

We reviewed a sample of the County Executive Office's (CEO Office) Procurement Card purchases and related documentation files to ensure the CEO Office's compliance with current policies and procedures, and determine if adequate internal controls are in place and operating as designed. Specifically, we reviewed purchases from the two divisions within the CEO Office: (1) Board of Supervisors and (2) County Executive Office. Based on our monitoring review, we determined that the CEO Office's processes and internal controls over Procurement Card purchases are operating effectively as designed.

We appreciate the courtesy and cooperation of the CEO Office's staff throughout the course of the review.

Respectfully,

Nicole C. Howard, CPA
Assistant Auditor-Controller
