Corner — Left as found Found and tagged Established Reestablished Rebuilt

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner:
 Found chisled notch in back of sidewalk on both street frontage corners. Set a nail and tag "L.S. 4732" in the top 2" x 4" rail of fence at the Northerly corner per the attached exhibit. Control was located in the roadway centerlines as shown.

A description of the physical condition of the monument as found and as set or reset:
 There was no evidence of the original lot corner at the correct location or at the fence intersection.
