Describe the organization's purpose and/or mission and the people served.	The National FFA Organization is the largest youth run organization in the world. FFA is a dynamic organization that changes lives and prepares members for premier leadership, personal growth and career success through agricultural education. FFA develops members' potential and helps them discover their talent through hands-on experiences, which give members the tools to achieve real-world success. Placer FFA has been a part the this legacy since 1929 and continues to create a better future not only for our chapter but for our community.
Briefly describe the program or the event for which you are requesting funds.	Placer FFA is taking its elected officers to the National FFA Convention in Indianapolis, Indiana. This year's National FFA Convention & Expo is all about growing the next generation of leaders. National FFA states, "No matter where you are in FFA, you'll find inspiration and direction to become a leader and

influencer, ready to make an impact. During this event, find out who you are, who you want to become and how you can change how the world grows." Taking Placer FFA Officers to the conference will be an investment in the future leaders of our Community, County State and Nation.

Briefly describe how Revenue Sharing funding would be utilized. (Please list items and activities to be funded with any Revenue Sharing funds allotted. Funding cannot be used for core budget needs or program or event staffing such as security, instructors, cleanup crews, etc.)	The Revenue Sharing Funds would pay for part of our housing in Indianapolis, airline tickets and ground transportation. Hotels are around \$200.00 per night, we need 4 rooms each night for 4 nights equaling \$3,200.00. We found a rental home for \$2,600. with laundry, so the officers can launder their uniforms, full kitchen so Miss Fonseca could cook breakfast and lunch, which will not only save money but create a family atmosphere within the group. Currently, we have raised \$4,500.00 towards the trip. We still need to raise about \$4,000 so that it completely covered for the students.
