Megan Wood, Clerk of the Board
Placer County Board of Supervisors
175 Fulweiler Ave. Auburn CA 95603

Attn: Ms. Wood

I would appreciate the opportunity to be placed on the November 9th, 2021, agenda of the Placer County Board of Supervisors. It is my intent to update the Board of Supervisors on the success of our 2021 Gold Country Fair and thank them for their financial support that gave us the opportunity to produce an annual fair that our community not only enjoyed but supported in record numbers.

It is our rich agricultural tradition and community history that make Placer County such a unique place to live or visit. Thank you in advance for your consideration.

Warm regards,
