

MEMORANDUM
HEALTH AND HUMAN SERVICES
Adult System of Care
County of Placer

TO: Board of Supervisors DATE: January 25, 2022
FROM: Robert L. Oldham, MD, MSHA, Director of Health and Human Services
SUBJECT: Server – Telesonics, Inc. dba Sonitrol of Sacramento, CA

ACTION REQUESTED

1. Approve Budget Amendment Number AM-00598 in the amount of \$10,334 within the appropriate accounts of the Health and Human Services Department's FY 2021-22 Final Budget.
2. Approve a purchase order with Telesonics, Inc. dba Sonitrol of Sacramento, CA for the acquisition of a server, cameras, and related equipment for the video surveillance system in the maximum amount of \$10,334.
3. Authorize the Purchasing Manager to sign all required documents.

BACKGROUND

Previous actions by your Board have standardized our video surveillance system requirements at other locations. It was determined for the safety of staff and clients that we should pursue the same type of system coverage at the Public Guardian location at 1919 Grass Valley Highway, Suite 100 in Auburn. As this location is more removed from the others a separate server is required to meet the video storage requirements.

This action will allow this location to be covered in the same manner that the other offices are. In order to proceed with the acquisition and implementation of the new system and server, your Board's approval is required.

FISCAL IMPACT

A Budget Amendment (#AM-00598) is needed to increase appropriations by \$10,334 in the Health and Human Services FY 21/22 budget, offset by a corresponding increase in revenue from Adult Protective Services (APS) Federal Revenue Funds. There is no impact to the General Fund.
