Re: Countywide Procurement Card Program Monitoring Review

Dear Ms. Green:

The Internal Audit Division of the Auditor-Controller's Office routinely reviews and/or audits the Procurement Card purchases. The objective of this monitoring review was to review Procurement Card usage during the statement period from March 13, 2021, through July 2, 2021 for compliance with County policies.

We reviewed a sample of the District Attorney's Office's (Office) Procurement Card purchases and related documentation files to ensure the Office's compliance with current policies and procedures, and to determine if adequate internal controls are in place and operating as designed. Based on our monitoring review, we determined there were multiple instances of non-compliance with County policies and procedures related to Procurement Card purchases, as well as areas where internal controls could be strengthened. Accordingly, our observation and recommendation are as follows.

Observation – Purchases were Approved without Adequate Documentation

We found multiple instances in which the Procurement Card purchases were not supported with adequate documentation.

- We noted four instances in which purchases were not supported with an itemized receipt or completed "Missing Receipt" form.
- We noted an instance in which an Approver approved the Cardholder statement without a receipt or documentation uploaded into Wells Fargo to support the Procurement Card purchase.

Section 3.2 of the Procurement Card Policy (PCP) discusses the accountability of Cardholder and Approver and states, "Cardholders shall review their statement of transactions and provide the appropriate documentation for all purchases. All transactions must be submitted and reviewed by the Cardholder within the defined timeframe for each cycle period..... Approvers shall review the Cardholder's transactions and confirm that appropriate documentation is provided, the purchases is appropriately budgeted, and in accordance with County polies and procedures. All transactions must include the applicable department accounting information and be reviewed by the Approvers within the defined timeframe for each cycle period."

Per Section 2.6 of the Procurement Card Program Procedures Manual (PCPPM), "a simple receipt that only reflects the total charges is not acceptable documentation for the transaction. If the receipt or invoice is not

itemized, the Cardholder must fill out the "Missing Receipt" form and include all appropriate information that demonstrates compliance with the applicable County policy.

In addition, Section 3.3 of the PCPPM states the Limited Program Administrator (LPA) shall "ensure that any needed documentation is attached to each cardholder statement and that the online documentation represents a full and complete summary of all the needed and required documentation to validate the purchases."

Recommendation

We recommend Cardholders start the reconciliation process as soon as the purchase cycle has closed to ensure all related documentation is submitted into Wells Fargo within the reconciliation period. For all applicable purchases, the itemized receipt or completed "Missing Receipt" form should be uploaded in Wells Fargo to support the transaction.

Further, we recommend the Approvers and LPAs perform a detailed review of the supporting documents to ensure completeness, accuracy, and compliance. Furthermore, we recommend the designated Approvers ensure the statement supporting documentation is uploaded into Wells Fargo and complete prior to their approval of the Cardholder statement.

We appreciate the courtesy and cooperation of the Office's staff throughout the course of the review.

Respectfully,

Nicole C. Howard, CPA
