

MEMORANDUM
HEALTH AND HUMAN SERVICES
ENVIRONMENTAL HEALTH DIVISION
County of Placer

TO: Honorable Board of Supervisors **DATE:** March 22, 2022
FROM: Robert Oldham, Director of Health and Human Services
SUBJECT: Major Subdivision Project Water Supply - Presentation Extension Request

ACTION REQUESTED

Approve a 90-day extension to report to the Planning Commission with recommendations to update major subdivision project water supply review and approval procedures.

BACKGROUND

On January 11th your board directed Environmental Health staff to provide a presentation to the Planning Commission within 90 days with recommendations to update major subdivision project water supply review procedures. Due to complexities in the water supply ordinance and impacts on other county ordinances, staff is requesting an additional 90 days to thoroughly study and provide recommendations to the Planning Commission.

FISCAL IMPACT
