

E. Agreement with Social Change Partners, LLC for Specialized Consulting Services

MEMORANDUM
HEALTH AND HUMAN SERVICES
CHILDREN'S SYSTEMS OF CARE DIVISION
County of Placer

TO: Honorable Board of Supervisors **DATE:** June 28, 2022
FROM: Robert Oldham, Director of Health and Human Services
BY: Joey Wojtowicz, Staff Services Analyst II
SUBJECT: Agreement with Social Change Partners, LLC for Specialized Consulting Services

ACTION REQUESTED

Approve an agreement with Social Change Partners, LLC to conduct specialized collaborative planning, needs assessment, and development of the federal Families First Prevention Services Act Comprehensive Prevention Plan, California Department of Social Services required Child and Family Self-Assessment for Child Welfare, the CalWORKS required Self-Assessment, and the Child Abuse Prevention Council Strategic Plan from July 1, 2022 through June 30, 2023, in an amount not to exceed \$225,000 and authorize the Director of Health and Human Services to sign the agreement with Risk Management and County Counsel concurrence, and to sign subsequent amendments up to \$22,500 consistent with the agreement's subject matter and scope of work with Risk Management and County Counsel concurrence.

BACKGROUND

The Families First Prevention Services Act (FFPSA) reforms federal child welfare financing to authorize the use of Title IV-E funding for specified services to families who have a child at imminent risk of entering into foster care. The FFPSA and California's implementation plan, created by the California Department of Social Services (CDSS), has impacts on Title XIX and contains eight parts, which contains many components and requirements that counties must quickly learn and comply with. FFPSA Part I, and the newly enacted Welfare & Institutions Code (WIC) 16586 and 16587, which allows for the use of funding for these prevention services, specifies the requirements for counties to opt into the program by submitting a local plan developed in consultation with relevant entities. The Comprehensive Plan must include a continuum of primary, secondary, and tertiary prevention and intervention strategies, in accordance with instructions from CDSS, and must meet all federal requirements as well.

The California Department of Social Services is required by federal statute to have Child Welfare and Probation Departments in counties conduct a County Self-Assessment, Child and Family Services Review (C-CSFR) every 5 years to review data, identify gaps and areas of improvement needed, conduct community planning processes, and eventually leading to a System Improvement Plan (SIP), which also then requires annual updates to track progress on goals and outcomes.

The CalWORKs program is required to conduct CalWORKs Outcomes and Accountability

Review (Cal-OAR), a local, data-driven process to facilitate continuous improvement of the county CalWORKs program by collecting, analyzing, and disseminating outcomes and best practices. As required by WIC 11523, Cal-OAR consists of three core components: performance indicators, a county CalWORKs self-assessment (Cal-CSA), and a CalWORKs System Improvement Plan (Cal-SIP). The Cal-OAR process (including the Cal-CSA and Cal-SIP) takes place over five-year cycles. Cal-OAR was implemented July 1, 2021 with Placer's first qualitative assessment report, the Cal-CSA, due March 31, 2023. This planning process would also be conducted as part of this agreement.

Counties are required to have local Child Abuse Prevention Councils (CAPC) to promote awareness and provide education in and to the community on the presence and impacts of child abuse. The CAPCs also monitor child abuse and neglect prevalence data, review geographical data to determine needs in the community, and are responsible to create a community prevention plan. This strategic prevention plan would also be created as part of this agreement.

A review by the Placer County Procurement Department has deemed this contract to be exempt to the competitive process due to professional services per procurement policy 3.5b. FFPSA is new federal legislation and many firms are not qualified at this time to provide this specialized consulting to create the required Comprehensive Prevention Plan. Social Change Partners, LLC is a consulting firm who has been qualified by CDSS to be a vendor to provide this specialized consulting service and currently holds contracts in multiple counties to provide services leading to the new Comprehensive Prevention Plan. Placer County Children's System of Care and Human Services, as divisions within Health and Human Services, are proposing to streamline the data gathering process, needs assessments, and community planning process for these multiple required plans, by hosting joint focus groups and aligning similar goals and objectives where possible. This will lend an efficiency to the process and ensure that community partners are brought together for multiple purposes and will eliminate the need for them to attend a series of meetings, asking for redundant information and input into similar processes.

FISCAL IMPACT

Total expenditures under this contract are \$225,000 and are included in the Department's FY 2022-23 Budget. Funding for this contract consists of State and Federal funding and no County General Funds are required.

Failure by the CONTRACTOR to take timely and appropriate action on all deficiencies shall constitute a material breach of this Agreement.

10. **LIMITATION OF COUNTY LIABILITY FOR DISALLOWANCES:**

10.1. Notwithstanding any other provision of the Agreement, COUNTY will be held harmless by CONTRACTOR from any Federal or State audit disallowance and interest resulting from payments made to CONTRACTOR pursuant to this Agreement, less the amounts already submitted to the State for the disallowed claim.

10.2. To the extent that a Federal or State audit disallowance and interest results from a claim or claims for which CONTRACTOR has received reimbursement for services provided, COUNTY will recoup within 30 days from CONTRACTOR through offsets to pending and future claims or by direct billing, amounts equal to the amount of the disallowance plus interest in that fiscal year, less the amounts already remitted to the State for the disallowed claim. The amount of such adjustment shall not exceed any augmentation or reduction in funding to COUNTY by the County of Placer Board of Supervisors, State and/or the United States government. Amendments issued in response to adjustments in funding shall be considered fully executed when approved by the CONTRACTOR and COUNTY. CONTRACTOR understands that any such amendments to this Agreement may not reflect the entire amount of any augmentation or reduction in funding provided to COUNTY for the subject services.

The foregoing is cumulative and does not affect any right or remedy which COUNTY may have in law or equity.

1. **HOLD HARMLESS AND INDEMNIFICATION AGREEMENT**

The CONTRACTOR hereby agrees to protect, defend, indemnify, and hold PLACER COUNTY free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character including, but not limited to, the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by PLACER COUNTY arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the COUNTY) and without limitation by enumeration, all other claims or demands of every character occurring or in any way incident to, in connection with or arising directly or indirectly out of, the contract or agreement. CONTRACTOR also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against CONTRACTOR or the COUNTY or to enlarge in any way the CONTRACTOR'S liability but is intended solely to provide for indemnification of PLACER COUNTY from liability for damages or injuries to third persons or property arising from CONTRACTOR'S performance pursuant to this contract or agreement.

As used above, the term PLACER COUNTY means Placer County or its officers, agents, employees, and volunteers.

2. **INSURANCE:**

3. OBLIGATIONS OF CONTRACTOR/BUSINESS ASSOCIATE

The HIPAA Business Associate Agreement (BAA) is required for all contracts in which an individual's protected health information is included in the contract between CE (a covered entity for HIPAA purposes) and a private individual or private business entity (Business Associate for HIPAA purposes). The purpose of the HIPAA Business Agreement is to ensure that the BA, during the performance of its contractual obligations with CE, protects the health information of individuals in accordance with State and Federal regulations.

- 3.1 **Permitted Uses.** BA shall use Protected Information only for the purpose of performing BA's obligations under the Contract and as permitted or required under the Contract and Addendum, or as required by law. Further, BA shall not use Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so used by CE. However, BA may use Protected Information as necessary (i) for the proper management and administration of BA; (ii) to carry out the legal responsibilities of BA; (iii) as required by law; or (iv) for Data Aggregation purposes relating to the Health Care Operations of CE [45 C.F.R. Sections 164.504(e)(2) and 164.504(e)(4)(i)].
- 3.2 **Permitted Disclosures.** BA shall disclose Protected Information only for the purpose of performing BA's obligations under the Contract and as permitted or required under the Contract and Addendum, or as required by law. BA shall not disclose Protected Information in any manner that would constitute a violation of the Privacy Rule or the HITECH Act if so disclosed by CE. However, BA may disclose Protected Information as necessary (i) for the proper management and administration of BA; (ii) to carry out the legal responsibilities of BA; (iii) as required by law; or (iv), for Data Aggregation purposes relating to the Health Care Operations of CE. If BA discloses Protected Information to a third party, BA must obtain, prior to making any such disclosure, (i) reasonable written assurances from such third party that such Protected Information will be held confidential as provided pursuant to this Addendum and used or disclosed only as required by law or for the purposes for which it was disclosed to such third party, and (ii) a written agreement from such third party to immediately notify BA of any breaches, suspected breaches, security incidents, or unauthorized uses or disclosures of the Protected Information in accordance with the Notification of Possible Breach requirements set forth in this Addendum (subparagraph 3.12), to the extent it has obtained knowledge of such occurrences [42 U.S.C. Section 17935(a) and 45 C.F.R. Section 164.522(a)(vi)]. BA shall not directly or indirectly receive remuneration in exchange for Protected Information, except with the prior written consent of CE and as permitted by the HITECH Act, 42 U.S.C. Section 17935(d)(2), and the HIPAA regulations, 45 C.F.R. Section 164.502(a)(5)(ii); however, this prohibition shall not affect payment by CE to BA for services provided pursuant to the Contract.
- 3.4 **Appropriate Safeguards.** BA shall implement appropriate safeguards to prevent the use or disclosure of Protected Information other than as permitted by the Contract or Addendum, including, but not limited to, administrative, physical and technical safeguards in accordance with the Security Rule, including, but not limited to, 45 C.F.R. Section 164.504(e)(2)(ii)(D); 45 C.F.R. Section 164.308(b)] BA shall implement and maintain sanctions against agents and subcontractors that violate such restrictions and conditions and shall mitigate the effects of any such violation [45 C.F.R. Sections 164.530(f) and 164.530(e)(1)].

Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 17935(e) and 45 C.F.R. Section 164.524.
- 3.7 **Amendment of PHI.** If BA maintains a designated record set on behalf of CE, within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].
- 3.8 **Accounting Disclosures.** Promptly upon any disclosure of Protected Information for which CE is required to account to an individual, BA and its agents and subcontractors shall make available to CE the information required to provide an accounting of disclosures which would allow CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including but not limited to 42 U.S.C. Section 17935(c), as determined by CE. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents and subcontractors for at least six (6) years prior to the request. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an Electronic Health Record. At a minimum, the information collected and maintained shall include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual’s authorization, or a copy of the written request for disclosure. If a patient submits a request for an accounting directly to BA or its agents or subcontractors, BA shall within five (5) days of the request forward it to CE in writing.
- 3.9 **Governmental Access to Records.** BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the “Secretary”) for purposes of determining BA’s compliance with HIPAA [45 C.F.R. Section 164.504(A)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

- 3.10 **Minimum Necessary.** BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use or disclosure. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)] BA understands and agrees that the definition of “minimum necessary” is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes “minimum necessary.”
- 3.11 **Data Ownership.** BA acknowledges that BA has no ownership rights with respect to the Protected Information.
- 3.12 **Notification of Possible Breach.** BA shall notify CE within twenty-four (24) hours of any suspected or actual breach of Protected Information; any use or disclosure of Protected Information not permitted by the Contract or Addendum; any security incident (i.e., any attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in and information system) related to Protected Information, and any actual or suspected use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited to, 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws [42 U.S.C. Section 17921; 45 C.F.R. Section 164.504(e)(2)(ii)(c); 45 C.F.R. Section 164.308(b)].
- 3.13 **Breach Pattern or Practice by Business Associate’s Subcontractors and Agents.** Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(ii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or Addendum or other arrangement, the BA must take reasonable steps to cure the breach or end the violation. If steps are unsuccessful, the BA must terminate the Contract or other arrangement if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or Addendum or other arrangement within five (5) days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.
- 3.14 **Audits, Inspection and Enforcement.** Within ten (10) days of a request by CE, BA and its agents and subcontractors shall allow CE or its agents or subcontractors to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of Protected Information pursuant to this Addendum for the purpose of determining whether BA has complied with this Addendum or maintains adequate security safeguards; provided, however, that (i) BA and CE shall mutually agree in advance upon the scope, timing, and location of such an inspection, (ii) CE shall protect the confidentiality of all confidential and proprietary information of BA to which CE has access during the course of such inspection; and (iii) CE shall execute a nondisclosure agreement, upon terms mutually agreed upon by the parties, if requested by BA. The fact that CE inspects, or fails to inspect, or has the right to inspect, BA’s facilities, systems, books, records, agreements, policies, and procedures does not relieve BA of its responsibility to comply with this Addendum, nor does CE’s (i) failure to detect or (ii) detection, but failure to notify BA or require BA’s remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of CE’s enforcement rights under the Contract or Addendum. BA shall notify CE within five (5) days of learning that BA has become the subject of an audit, compliance review, or complaint investigation by the Office of Civil Rights or other state or federal government entity.

4. HIPAA COMPLIANCE PLAN REQUIREMENT

In order to ensure that the BA complies with Federal and State regulations regarding protected health information, the BA shall submit a "HIPAA Compliance Plan" to the CE describing:

- 4.1 The training of staff and any subcontractors regarding HIPAA and State regulations.
- 4.2 A process for tracking the training of staff and subcontractors.
- 4.3 A process for staff and subcontractors to report any breaches of protected health information. This shall include employee disciplinary procedures for employees who violate HIPAA guidelines, and whistle blower protection for staff reporting breaches.
- 4.4 A description of how the BA plans to secure and safeguard electronically stored health information. This shall include at a minimum, descriptions of passwords, encryption, and any other technology designed to prevent unauthorized access to protected health information.
- 4.5 A process for reviewing security measures and identifying areas of potential risk for a breach, a plan for mitigating identified risks, and assurance that such risk evaluation shall be conducted annually.

5. DATA AGGREGATION SERVICES

BA is also permitted to use or disclose information to provide data aggregation services as that term is defined by 45 CFR 164.501, relating to the health care operations of CE.

6. TERMINATION

A breach by BA of any provision of this Addendum, as determined by CE shall constitute a material breach of the Contract and shall provide grounds for immediate termination of the Contract, any provision in the Contract to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii)].
