Dear Placer County Residents:

On behalf of the Placer County Board of Supervisors, I am pleased to present the County's Fiscal Year 2022-23 Adopted Budget. Following a public hearing/presentation of the Recommended Budget on June 14, 2022, the Budget was adopted by the Board of Supervisors on June 28, 2022. This budget was developed through an open, transparent public process, assuring community members and interested parties the opportunity to participate in the budget's review and adoption. Great thanks to departmental budget preparers, department heads, and staff from the Offices of the County Executive and the Auditor-Controller for their efforts and collaboration throughout the entire budget/adoption process.

The Adopted Budget was compiled following the guidance provided in the County Budget Act (sections 29000 through 29144 of the Government Code). This document outlines appropriations (spending limits) for the provision of services, estimated financing sources and all County governmental and proprietary funds, dependent special districts, and other agencies whose affairs/finances are under the supervision/control of the Board of Supervisors. California law requires the County's budget must balance, and appropriations cannot exceed available financing sources.

The Adopted Budget also serves as a communication tool to speak clearly to citizens, businesses, and visitors of Placer County. The charts and graphs that accompany budgetary schedules are provided to display meaningful information, including revenues and sources by fund, expenditures by category and function, and per capita revenue and operating expenditures.

This budget book continues the County's commitment to be more transparent to our stakeholders. Together with a narrative of departmental programs/services, the budget document includes 'Spotlight on Strategic Plan Priorities' and 'County Funds Overview' sections to serve as a comprehensive summary of emerging issues and countywide budgetary financial information.

We hope you find this information useful as we continue our efforts to communicate "what we do" and the compelling value of the services Placer County provides. For additional information on the budget, please visit www.placer.ca.gov/1489/County-Budget, or contact us at the phone number or address listed above.

Sincerely,

Jane Christenson
Acting County Executive Officer
