Organizational Effectiveness & Employee Support – Cost Center 17006 Purpose:

Organizational Effectiveness & Employee Support provides employee assistance, learning and development, and engagement programs that promote the employee experience to enhance organizational and job effectiveness.

Major Budget Adjustments and Initiatives:

• Increase in Salaries and Benefits of \$321,362 mainly due to the reallocation of staff budget from other Human Resource cost centers which better aligns worker duties.

Program Title	Program Description	Program Cost		
Employee Support	Coordinate and administer the County's employee support programs, including deferred compensation, leaves of absence, retirement planning, and workers' compensation. Ensure programs such as deferred compensation and leave management comply with federal and state regulations.	\$	1,970,985	
Learning & Org Development	Foster a continuous learning environment and ensure completion of compliance-related training. Build an effective workforce through learning and development efforts that support the "whole person" concept including career, skill, and leadership development opportunities while maximizing technological resources.	\$	908,093	
Employee Engagement	Support a positive employee experience through employer-sponsored programs that encourage employees to develop a positive work life balance; enhance employee organizational and job engagement; promote health, safety, and wellness; improve quality of life; and promote a healthy workforce.	\$	591,663
