Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish corner:

12 property corner monuments set per 33 PM 36 were identified and tied into a traverse prior to being removed with new parking lot construction. After pave-out new monuments were set at the original location of the old monuments.

A description of the physical condition of the monument as found and as set or reset:

All corners were monumented with 3/4" DIA. Iron Pipes.

No found pipes had tags or plugs (LS 4412 per 33 PM 36)

Re-set corners are as shown on sketch.
