

**MEMORANDUM**  
**HEALTH AND HUMAN SERVICES**  
**PUBLIC HEALTH DIVISION**  
County of Placer

**TO:** Honorable Board of Supervisors **DATE:** September 27, 2022  
**FROM:** Robert Oldham, Director of Health and Human Services  
**BY:** Joey Wojtowicz, Staff Services Analyst II  
**SUBJECT:** California Department of Public Health Future of Public Health Funding Allocation

---

**ACTION REQUESTED**

1. Ratify the Director of Health and Human Services' submission to accept the California Department of Public Health for Future of Public Health Funding Allocation Award Certification in the amount of \$1,661,462 for the period of July 1, 2022 through June 30, 2024, and authorize the Director of Health and Human Services to sign all related documentation for the award, and to accept additional funds up to \$100,000, with Risk Management and County Counsel concurrence.
2. Approve a FY 2022-23 budget amendment #AM-00709 for CC14011- Public Health in the amount of \$1,661,462.

**BACKGROUND**

The California Budget Act of 2022 for budget year 2022-2023 (Health and Safety Code 101320, 101320.3, and 101320.5) provides for Future of Public Health (FoPH) funding to local health jurisdictions for public health workforce and infrastructure. As communities across California are seeing increases in the number and severity of emergencies, communicable disease outbreaks, and rising rates of chronic health conditions in an aging population, a robust public health infrastructure is needed now more than ever.

This funding will allow the Division of Public Health to hire additional, permanent County personnel throughout the various programs within Public Health in order to build and retain the County's public health workforce and respond to public health emergencies, priorities and issues. This ongoing funding is intended to increase public health workforce capacity and retention through permanent positions such as, but not limited to, field, clinical, professional, data, administrative, and surveillance staff. Additionally, this funding will allow Public Health to build other infrastructure and operational capacities in the department, including but not limited to training and modernization of technologies.

**FISCAL IMPACT**

The total amount is fully funded with State dollars. A Budget Amendment to increase appropriations by \$1,661,462 in the FY 2022-23 for CC14011- Public Health budget is included
