First United Methodist Church of Roseville, in collaboration with community partners, have purposed to meet the holistic needs of the historic downtown Roseville community by providing resource fairs every fourth Friday of the month. Beyond the general residents of the Roseville Heights and the Los Cerritos neighborhood, our organization's target audience is the Hispanic and Spanish speaking communities surrounding the church.

Briefly describe the program or the event for which you are requesting funds.

The Día De Los Muertos themed event on 10/28/22 is part of the ongoing Fourth Fridays at First Church program that originally started as a free vaccine clinic in Dec, 2021. Over the last year, Fourth Fridays has developed into a consistent resource fair organized around culturally relevant themes that reflect the values of the surrounding community. Fourth Fridays at First Church has enabled a collaborative partnership with

multiple community groups and municipal service providers. Further, the facilities at First Church are now being functionally used as a community center and an organizing hub for those committed to meeting the holistic needs of the historic downtown section of Roseville.

Briefly describe how Revenue Sharing funding would be utilized. (Please list items and activities to be funded with any Revenue Sharing funds allotted. Funding cannot be used for core budget needs or program or event staffing such as security, instructors, cleanup crews, etc.)

The resources from the Revenue Sharing funds will go directly to expenses related to the Mariachi Band, The Aztec Dance Group, Face Painting artists, craft stations, and tamales cooked and provided from a local business vendor.
