RE : Approval of Local Agency Conflict of Interest Codes

ACTION REQUESTED:

Adopt a resolution approving, or revising and approving as revised, local agency conflict of interest codes.

BACKGROUND:

The Placer County Board of Supervisors is the conflict of interest code-reviewing body for local agencies, other than cities, that are located wholly within Placer County. Each even-numbered year, these local agencies are required to report to the County whether their conflict of interest codes are legally adequate or require amendment and to submit their conflict of interest code amendments to the County for approval. This office has provided the required notice to the local agencies on behalf of your Board.

All agencies have responded to our notice. We have reviewed each of the responses and find the documents submitted to be legally compliant. This Office recommends, pursuant to Government Code Section 87303, the Board revise those codes requiring amendment as shown and approve those codes as revised. The revised codes will only take effect upon the approval of the Board of Supervisors. Your Board's approval of the attached Resolution will complete this process.

The agencies' responses and conflict of interest code amendments have been placed on file in the office of the Clerk-Recorder-Registrar of Voters and copies are also available for review at the Clerk of the Board's office.

FISCAL IMPACT:

There is no fiscal impact associated with this request.
