

**MEMORANDUM
PUBLIC WORKS
ENGINEERING DIVISION**
County of Placer

TO: Honorable Board of Supervisors **DATE:** December 6, 2022
FROM: Ken Grehm, Director of Public Works
BY: Jean Hanson, Associate Civil Engineer; Elena Szlemp, Assistant Civil Engineer
SUBJECT: Approve Plans and Specifications / Authorization to Advertise / Highway Safety Improvement Program Cycle 10 Guardrail Upgrade Project

ACTION REQUESTED

1. Adopt a Resolution to approve the plans and specifications for the Highway Safety Improvement Program Cycle 10 Guardrail Upgrade Project, Project No. PJ01741, and authorize the Director of Public Works, or designee, to advertise for construction bids.
2. Determine that the proposed action is exempt from environmental review under the California Environmental Quality Act Guidelines Section 15301(c).

BACKGROUND

The Department of Public Works is proposing to upgrade guardrails at three locations within Placer County bringing the existing facilities up to current standards. A total of 6,620 linear feet of guardrail along portions of Rollins Lake, Indian Hill, and Ridge Roads will be replaced. The purpose of the project is to improve safety for the traveling public while meeting current design standards. The portions of guardrail to be replaced have funding set-aside for guardrail upgrades in the State Highway Safety Improvement Program (HSIP) and in May 2021, the design phase of the project was authorized by Caltrans. The design phase is complete, and construction is tentatively scheduled to begin in the spring of 2023.

ENVIRONMENTAL IMPACT

A Notice of Exemption was prepared, pursuant to the California Environmental Quality Act (CEQA) with State Clearing House No. 2022020230 on February 9, 2022. The proposed action is also exempt from CEQA review pursuant to CEQA Guidelines Section 15301(c).

FISCAL IMPACT

There is no fiscal impact associated with the item requested. Construction cost is estimated to be less than \$1,000,000. The project is included in the FY 2022-23 Budget for CC19006 – Engineering under project PJ01741, HSIP Cycle 10 Guardrail Upgrade Project. There is no impact to the General Fund.
