SUBJECT: Placer Regional Auto Theft Task Force Annual Report

ACTION REQUESTED

Review the Placer Regional Auto Theft Task Force (PRATTF) Annual Report established pursuant to Vehicle Code (VC) 9250.14. Revenues received in support of the Task Force, plus interest earned for FY 2021-22 totaled \$438,031.

BACKGROUND

On March 20, 2007, your Board adopted Resolution # 2007-79 authorizing the collection of one dollar (\$1) for vehicles and two dollars (\$2) for commercial vehicles registered annually in Placer County pursuant to VC 9250.14; revenues are to be utilized for vehicle theft deterrence, investigation, and prosecution. As required by the Vehicle Code, annual financial and activity reports are submitted to the State Controller's Office. Additionally, these reports are submitted to your Board annually for review.

The Placer County Regional Auto Theft Task Force was created for the purpose of investigating crimes, apprehending suspects, and reducing vehicle theft and related crimes within Placer County through aggressive, innovative and proactive enforcement measures. The Task Force consists of one California Highway Patrol (CHP) Sergeant, one CHP Officer, one Placer County Deputy Sheriff, and one Police Officer each from the cities of Roseville and Rocklin. Funds from VC 9250.14 are distributed to pay for the Task Force's operational and equipment expenses, salaries and benefits of city and county staff, and overtime costs of CHP staff. The National Insurance Crime Bureau (NICB) participates by providing vehicles to be used in Task Force operations.

In FY 2021-22, the Task Force made 76 auto theft related arrests and recovered 207 vehicles with values totaling \$4,442,900. The presence of a Regional Task Force has a significant influence on the overall insurance rates determined for County residents.

FISCAL IMPACT

Anticipated revenues from this program are included in the Sheriff's Office FY 2022-23 Budget. There is no impact to the General Fund.
