Clerk of said Board

WHEREAS, California Health & Safety Code sections 101075, *et seq.*, authorize the declaration of a local health emergency by the Public Health Officer for any area of the County affected by hazardous waste which poses an immediate threat to public health; and

WHEREAS, on September 6, 2022, the Mosquito Fire started near Oxbow reservoir, southeast of Foresthill. Since that time, it has reached 76,290 acres in size, and threatened multiple communities which resulted in the evacuation of thousands of residents in Placer and El Dorado Counties. The Mosquito Fire has destroyed 78 structures and damaged another 13, resulting in

accumulation of ash debris, much of which is subject to contamination with heavy metals, asbestos, and/or other hazardous waste; and

WHEREAS, on September 8, 2022, the Governor of California proclaimed a state of emergency in Placer County due to the Mosquito Fire; and

WHEREAS, on September 7, 2022, the Placer County Director of Emergency Services proclaimed a local emergency; and

WHEREAS, on September 13, 2022, the Placer County Board of Supervisors ratified the proclamation of a local emergency; and

WHEREAS, on September 21, 2022, the Placer County Interim Health Officer declared the existence of a local health emergency due to hazardous waste in the form of debris and debris ash from fire and the potential contamination of residential food and water supplies resulting from the Mosquito Fire; and

WHEREAS, Health and Safety Code section 101080 requires the Board of Supervisors to ratify the local health emergency declaration within seven (7) days or the declaration will no longer be in force; and

WHEREAS, hazardous debris and ash from fire and potential contamination of residential food and water supplies resulting from the Mosquito Fire continues to pose a threat in the vicinity of Foresthill in the unincorporated area of Placer County; and

WHEREAS, the release or escape of the above-mentioned conditions of hazardous waste poses a substantial immediate threat and hazard to public health and safety unless immediately addressed and managed; and

WHEREAS, there is an imminent and proximate threat of contagious, infectious or communicable disease, chemical agent and/or non-communicable biologic agent, and/or other toxins, due to accumulations of perishable foods and other organic materials that normally require refrigeration but have been left to spoil due to electricity disruption, and also due to potential contamination or destruction of residential and commercial water supply in the burned areas; and

WHEREAS, the circumstances of the accumulation of this hazardous waste, contaminated debris, perishable items and potential contamination or destruction of water supplies and the need to immediately remove hazardous waste and debris and abate the above referenced conditions are, or are likely to be, beyond the control, capacity, and resources of the services, personnel, equipment, and facilities of Placer County; and

WHEREAS, your Board ratified Resolution No. 2022-204 at the September 27, 2022, Board Meeting declaring a Local Health Emergency due to the Mosquito Fire; and

WHEREAS, Health and Safety Code section 101080, requires that once a local health emergency is ratified, it must be renewed by a board of supervisors at least once every thirty days until such time the emergency is terminated.

NOW, THEREFORE, BE IT RESOLVED, that the Placer County Board of Supervisors hereby reaffirms a Local Health Emergency Declaration by the Placer County Interim Health Officer due to the immediate public health threat caused by hazardous waste and debris from the Mosquito Fire.

BE IT FURTHER RESOLVED, the Placer County Board of Supervisors shall review the need for continuing the local health emergency at least every thirty (30) days and shall terminate the local health emergency as soon as local conditions warrant.

BE IT FURTHER RESOLVED that this local health emergency and authority derived therefrom is limited to the Mosquito Fire incident and the potential health threats articulated herein.

BE IT FURTHER RESOLVED that the Director of Emergency Services or his designee shall immediately forward a copy of this Resolution to the Director of the California Office of Emergency Services, the Department of Toxic Substances Control, and any other state agencies who may be requested or required to provide services with regard to this local health emergency in order to protect the public health and safety.

The forgoing Resolution was duly passed and adopted by the Board of Supervisors for the County of Placer, State of California at the regular meeting of the Board of Supervisors on October 25, 2022, by the vote listed above.
