Note:	Fee schedule applies to permanent effects. See <i>Western Placer HCP/NCCP</i> , Section 9.4.1.5, Temporary Effect Fee, for application of fee to projects with temporary effects.	
Note:	Non-covered activities are not subject to Plan Development Fees but may be subject to other local fees for impacts to other resources such as open space and native trees (e.g. Open Space Fire Hazard Management Fee).	
Note:	Per acre fees apply to the entire parcel area, excluding areas improved at time of Plan adoption and where avoidance occurs, pursuant to <i>Western Placer HCP/NCCP</i> , Section 6.3.1.3, General Condition 3, Land Conversion, including land approved by the PCA set aside as habitat. Per acre fees apply only to the disturbed area footprint of Covered Activities on low density rural development limited to structures or activities that are appurtenant or accessory to rural residential uses and activities or structures that support rural nonresidential land uses (see <i>Western Placer HCP/NCCP</i> , Section 6.3.1.3.2, Permanent Effect Avoidance for Low Density Rural Development).	
Note:	"Existing Parcel" refers to a parcel created by parcel map, subdivision map, or other county entitlement approved prior to Plan adoption (November 1, 2020).	
Note:	For mixed use projects with multi-family residential, the project pays the higher fee of either category 2d or category 2e.	
Note:	Plan Area A - Foothills includes that portion of Plan Area A - Valley that is the higher elevation portion of the City of Lincoln planning area roughly eastward of a line dropped due south from the intersection of Virginiatown Road and Hungry Hollow Road and pulled west to follow the 200' elevation line which runs roughly along the NID irrigation ditch north of Hwy. 193 and Oak Tree Lane.	
	¹ Maximum amount per parcel applies to per acre fee only. Per dwelling unit fee is in addition to per acre fee.
