

It's a Great Day for a **Doggy Day Out!**

**Do you LOVE dogs,
but can't have your own?
Take a shelter dog on a field trip!**

Field trips help:

- 🐾 Dogs get a break from the shelter;
- 🐾 Introduce dogs to new people & places;
- 🐾 Provide valuable info about dog behavior;
- 🐾 Increase awareness about the shelter and our adoptable dogs.

Doggy Day Out adventures can include hiking, a trip to the lake, a relaxing picnic in the park or lunch at a pet-friendly restaurant.
