Instructions for Obtaining a Permit Number for a Temporary Event:

Complete the Application/Registration Form. Return the application along with appropriate fee to the event organizer who will forward it to the County of Placer, Division of Environmental Health. Payment can be in the form of cash, check, or money order made payable to the "County of Placer".

This is a one-time permit fee. If you have previously submitted the Application/Registration Form and returned it without the registration fee, you have not completed the process. If this is the case, you must complete the Application/Registration Form, fee, and return both to the event organizer which will be submitted to this office. Registration applications submitted without fees will not be processed. You may not perform body art at a temporary event without approvals. If you are registered by another local enforcement agency, your registration is valid in Placer County for no more than five consecutive days, or fifteen days total, in any one calendar year. However, you must provide a copy of the registration card and/or proof of permit/registration with that county.
