**All health permits to operate will be issued during an in-booth opening inspection by Placer County Environmental Health. In order to receive an inspection, the booth must be completely set up and artists present. No operations may occur until the booth has been inspected by Placer County Environmental Health and a health permit has been issued, unless otherwise approved by Placer County Environmental Health.**

**BOOTH OPERATOR ACKNOWLEDGEMENT**

\*I have completed the booth Notification Form to the best of my ability. I understand that I may be asked to provide additional information in order for the Notification to be approved and that the information provided is considered part of the Booth Permit.

\*I understand that failure to meet the conditions identified in this form or failure to comply with requirements set forth in the California Health and Safety Code may result in the suspension of my approval to operate and/or may result in an administrative fine.

\*I understand that all practitioners operating within this booth are expected to comply with the Health and Safety Standards Guidance Document for Practitioners at Temporary Events. This document will be the basis of the booth compliance inspection.
