Instructions for completing the Care Expense Statement

The Care Expense Statement is used to document the type of care and the cost of care that the VA will use to reduce your income. It is very important that this form be filled out completely and accurately. If a married veteran is receiving care under Section 2, 3 or 4 and his spouse is also receiving care under Section 2, 3, or 4 we will need a separate Care Expense Statement for the spouse.

The following are line items from every section that need special attention or clarification.

Section 1

Line L: if someone other than the spouse is helping to defray the cost of the care for the patient, then you would check "Yes." If the patient has sufficient funds to pay for their care for the next 4 to 6 months, then you would check "No."

If you checked YES, then you would indicate the source of the payment. Examples would be; Long Term Care Insurance, family pays, facility is accepting a lesser amount until receipt of VA pension, etc.

Indicate the amount that is being paid by this other source.

Indicate the date that the other source began paying the difference. If the patient started to pay the entire amount of the care and then ran out of money, indicate the actual date that the other source began paying.

Line M: List the amount that this patient is paying out of their own funds. This would be Line J minus line L.

Section 2

This section is used if you are living at home and paying someone to come to your home and provide care. It is to be completed by the Care Provider.

Line B: Please write the services you provide, DO NOT put all of the above, or circle the examples. Examples of medical services are; physical therapy, administration of injections, placement of indwelling catheters, and the changing of sterile dressings

Examples of nursing services are; assisting an individual with with feeding, bathing, dressing, grooming, personal hygiene, incontinence & transferring.

Line C: If you are providing nursing services you do not need to be licensed, just indicate "Yes" or "No."

Section 3

This section is used if you are a patient in a skilled or intermediate level nursing facility. This section is to be completed by the Administrator of the facility and is self explanatory.

Section 4

This section is used if you are in another type of facility besides a skilled or intermediate level nursing home. This section is to be completed by the administrator.

Line C: Indicate the services you provide, DO NOT put all of the above, or circle the examples. Please refer to Section 2, Line B for the list of medical or nursing services that you would list in this section.

Line E: If you do not break down the cost of the care by type, just indicate the one amount and note that it is all inclusive. This amount should match the amount in Section 1, Line J.

Section 5

The facility or care provider must sign and date the top line. The veteran or widow who is applying for the benefit, must sign the bottom line and if unable to write a signature, mark it an "X" and then witness it with two individuals signatures. Powers of Attorney cannot sign on behalf of the claimant.

Indicate the amount that the veteran or widow is paying out of their own funds. This amount should match the amount indicated in Section 1, Line M.

Please use the following as recommendations only on how to complete VA Form 21-2680

In order to apply for the VA Aid & Attendance benefit, the claimant must have a medical condition or medical necessity requiring them to live in an assisted or protected environment and to be receiving and paying for that care.

The claimant must show a need for **Aid and Attendance,** and this report must show:

- That he or she requires the aid of another person in order to perform personal functions required in everyday living, such as bathing, feeding, dressing, attending to the wants of nature, adjusting prosthetic devices, or protecting themselves from the hazards of their daily environment;
- Has corrected vision of 5/200 or less in both eyes; **OR**
- Has contraction of the concentric visual field to 5 degrees or less; **OR**
- Is a patient in a nursing home due to mental or physical incapacity; **OR**
- Is bedridden, in that their disability requires that they remain in bed apart from any prescribed course of convalescence or treatment.

Please have the Claimant's doctor (does not have to be a VA doctor) fill this form out completely and be as thorough as possible in stating the claimant's deficits.

The following are some questions that need special attention and/or clarification.

#10. Complete diagnosis: "Please be VERY thorough; documenting major/minor conditions and problems". The DIAGNOSIS MUST BE WELL-SUBSTANTIATED IN THE REMAINDER OF THE QUESTIONS. This cannot be left blank. If there is no condition or diagnosis the applicant does not meet the medical requirements and will not qualify. A problem list from the doctor can also be attached.

#24A. Legally Blind: Please make sure the doctor also fills in the fields for 24B. An eye doctor's certification should be attached to certify that there is a corrected vision of 5/200 or less to be considered legally blind.

25. Require Nursing Home: If 'NO', we would need it to say; But does need to live in a Protected Environment or Assisted Living, whichever is appropriate.

#27. Handle Financial Affairs: This is a question of cognitive ability so if the doctor marks 'NO', the VA will deem the claimant 'incompetent'. A fiduciary will need to be appointed to receive the benefit on behalf of the claimant and a 'Due Process Waiver' will be required. Often the claimant MAY cognitively be able to handle affairs, families just choose otherwise for simplicity reasons or blindness. (a NO will cause a delay in the retro check).

#35B. Physician's Signature: Make sure that only the Doctor signs this form and that he/she puts MD after their signature. A PA or FNP signatures are not acceptable.

This is a very important form and is a major component in determining whether or not a claim is approved. This is the only information that the VA has to determine the medical eligibility and incomplete or inaccurate forms could result in a denial of benefits.
