

# MEMORANDUM

DEPARTMENT OF PUBLIC WORKS  
County of Placer

TO: BOARD OF SUPERVISORS

DATE: August 28, 2007

FROM: KEN GREHM / RICHARD MOOREHEAD 

SUBJECT: COOPERATIVE AGREEMENT SUNSET BOULEVARD/STATE ROUTE 65  
INTERCHANGE

---

## ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chairman of the Board to execute the Cooperative Agreement (03-0325) for the Sunset Boulevard/State Route 65 Interchange between California Department of Transportation (Caltrans) and Placer County.

## BACKGROUND / SUMMARY

The Department of Public Works (DPW) is overseeing the design and construction of a project that will be replacing the existing at-grade signalized intersection at State Route 65 and Sunset Blvd with a grade separated interchange. This project will remove the last signalized intersection on State Route 65 between Interstate 80 and the City of Lincoln and alleviate congestion along this important transportation corridor.

A Cooperative Agreement has been prepared and reviewed for this project by DPW and County Counsel and subsequently reviewed and accepted by Caltrans. The Cooperative Agreement is for Engineering Design, Right of Way (R/W), and construction of the Sunset Boulevard/State Route 65 Interchange.

The completion and approval of the Project Report and Environmental Analysis (PR/EA), allows the County to proceed to final design and preparation of construction documents. Construction is scheduled to begin in late 2008, subject to available funding.

## ENVIRONMENTAL

The Placer County BOS approved the Mitigated Negative Declaration for this project and a Notice of Determination was filed on May 23, 2006.

## FISCAL IMPACT

The project cost for the Sunset Boulevard/State Route 65 Interchange Project is estimated to be \$30,000,000. The funding for this project will come from the County Traffic Fee Program, the Highway 65 Joint Powers Authority, and other various funding sources. Approximately \$5,000,000 in additional funding will need to be identified prior to construction.
