RE: Application | Placer Mosquito and Vector Control District

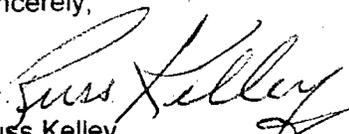

Dear Ms. Ciafardoni:

Thank you for your correspondence with regard to the application for the vacant position of the Placer Mosquito and Vector Control District Board of Trustees. The District Board of Trustees has reviewed the application; however, wishes to refrain from giving specific recommendations for prospective Trustee appointments. The District Board would prefer that the Placer County Board of Supervisor's appoint a trustee that they feel will serve the best interest of the County's residents with regard to vector control.

The PMVCD Board of Trustees requests that the Board of Supervisors, keep in mind the District's mission to effectively and efficiently manage the risks from vectors and vector borne disease in order to protect public health and quality of life in Placer County, when making this important appointment.

Please contact me or District staff when a selection had been made, so that we may welcome the appointee and set an appointment to provide them a tour of the District's facility and operations.

Sincerely,

  
Russ Kelley  
Board President, PMVCD Board of Trustees
