

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS DATE: April 10, 2012
FROM: KEN GREHM / KEVIN TABER
SUBJECT: ROADWAY SURFACE TREATMENT, PLACER COUNTY, SUMMER 2012,
CONTRACT NO. 1134

ACTION REQUESTED / RECOMMENDATION

Approve project specifications for the Roadway Surface Treatment project estimated to cost approximately \$3,100,000 and authorize the Department of Public Works to advertise for bids.

BACKGROUND / SUMMARY

The Department of Public Works performs various surface treatments on maintained public roadways to protect, preserve, and extend their useful lives. The selection of roads for surface treatment is typically a function of the road condition, traffic volumes, and funding. Your Board approved funding for various surface treatments in the 11/12 fiscal year utilizing Proposition 1B funding, Road funds, and County Service Area (CSA) funds. We have included approximately 48.5 miles of roadway in this year's project.

This summer's project will consist of three different types of surface treatments: 1. Slurry seal; 2. Rubberized Chip Seal; and 3. Cape Seal. A cape seal is a slurry seal placed over chip seal. These road resurfacing processes provide a new wearing surface, some crack filling, pavement rejuvenation, and sealing. The construction requires special equipment to place the chip or slurry seal on the roadway.

A list of this year's roads is attached for your approval. The current project includes approximately 48.5 miles of roads at various locations throughout Placer County. Roads may change depending on bid prices, which are subject to the volatility of the current oil market

ENVIRONMENTAL

This project is Categorically Exempt from the provisions of CEQA as a Class I exemption, Section 15301 (c) "Maintenance of Existing Facilities".

FISCAL IMPACT

Funding is available in the 11/12 Road Construction Budget for Project No. 2956 "Road Resurfacing 11/12". Approximately \$1,680,000 will be County Service Area Funds, approximately \$700,000 will be Road Funds, and approximately \$720,000 will be Proposition 1B Funds.

A copy of the Project Specifications is on
File with the Clerk of the Board's Office.
