

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS
County of Placer

TO: BOARD OF SUPERVISORS

DATE: May 22, 2012

FROM: KEN GREHM / PETER KRAATZ

SUBJECT: **BRIDGE REPLACEMENT PROJECT, BREWER ROAD OVER KING SLOUGH
& BREWER ROAD OVER MARKHAM RAVINE
CONTRACT NO. 1117 – CONTRACT AWARD**

ACTION REQUESTED / RECOMMENDATION

Adopt a Resolution authorizing the Chair of the Board to award and execute the construction contract for the Bridge Replacement Project at Brewer Road over King Slough and Brewer Road over Markham Ravine, with County Counsel and Risk Management review and approval, to the lowest responsible and responsive bidder, Viking Construction, Inc. for \$1,725,553, and authorize the Director of Public Works to execute contract change orders up to an amount of 10% of the contract amount.

BACKGROUND / SUMMARY

The Department of Public Works is proposing to replace two bridges on Brewer Road with one construction contract: Brewer Road at King Slough and Brewer Road at Markham Ravine. Both bridges are narrow, deteriorating and structurally deficient. The project is being completed under the Federal Highway Bridge Program (HBP). The proposed project will replace both bridges and improve the roadway approaches providing two 12-foot travel lanes and two 4-foot shoulders which meet current geometric design standards.

DPW staff has met with the local residents and both the West Placer Municipal Advisory Council and the Rural Lincoln Municipal Advisory Council to review the proposed improvements. The proposed project will provide bridges and approaches designed to current standards while improving hydraulic capacity in the area.

Your Board authorized the Department of Public works to advertise for bids on March 27. The bid opening was on May 1, 2012. The Department of Public Works is seeking authorization from the Board for the Chair to award and execute the construction contract to Viking Construction, Inc., the lowest responsive and responsible bidder.

ENVIRONMENTAL

The Board of Supervisors certified and approved the Initial Studies/Mitigated Negative Declarations with the required filings and mitigations under CEQA on June 8, 2010. Notices of Determination were filed on June 9, 2010. Both sites were granted Categorical Exclusions under NEPA on August 13, 2010.

FISCAL IMPACT

The construction contract cost is \$1,725,553. The construction contract is funded through the Federal HBP Program (100%). There are sufficient funds available in the 2011/2012 and future Fiscal Year Budgets for this contract.
