

MEMORANDUM

DEPARTMENT OF PUBLIC WORKS County of Placer

TO: BOARD OF SUPERVISORS

DATE: October 9, 2012

FROM: KEN GREHM / ANDREW GABER

SUBJECT: **PARKING RESTRICTIONS ON VARIOUS COUNTY ROADS IN GRANITE BAY**

ACTION REQUESTED / RECOMMENDATION

1. Conduct a Public Hearing to Adopt an Ordinance establishing new parking restrictions and amending established parking restrictions on County Roadways. County roadways affected include portions of Hill Road, Sandstone Court, Auberry Court and Mooney Drive.

BACKGROUND / SUMMARY

The Department has received requests to modify existing parking restrictions and implement new parking restrictions on several roadways in Granite Bay near the entrance to the Folsom Lake recreation area. Sandstone Court and Auberry Court currently have No Parking, 8 am to 8 pm, restrictions, but the residents have submitted petitions requesting a change to Permit Parking. The permit parking will allow residents to park their vehicles along the roadway, but will allow officers performing parking enforcement to differentiate between permitted and unpermitted vehicles.

There is an access to Lake Folsom on Lakeshore Drive, and approximately 15 years ago the County implemented parking restrictions along Lakeshore Drive and Sierra Drive Park. Visitors are now parking along Hill Road and walking up Mooney Road to the Lakeshore Drive entrance. The affected residents along Hill Road have submitted requests to implement parking restrictions along these roadways. The residents of the six residences having frontage on Hill Road west of Mooney Road up to Lupin Lane have petitioned for Permit Parking to have consistent restrictions.

A group of residents on Hill Road east of Mooney Road also requested Permit Parking, but initially three homeowners objected to the restrictions. After several neighborhood meetings, a compromise was reached where Permit Parking would be implemented to be effective between April and September of each year. The resident at 7775 Hill Road still wishes to have no restrictions so the signs would be placed on either side of this property.

There are currently No Parking restrictions on Mooney Road from Hill Road westerly to Lakeshore Drive and the residents on the corners of Hill Road and Mooney Drive have requested the No Parking be extended along their frontage. There are ditches along both frontages, and the restrictions appear to be justified.

ENVIRONMENTAL

This action is exempt under the California Environmental Quality Act (CEQA) guidelines per Section 150301c Operation of Existing Streets and Highways.

FISCAL IMPACT

The County currently charges \$10 per parking permit which are good for five years. Funds to cover the costs to install the necessary signs are available from the Road Fund.
