

**MEMORANDUM  
COUNTY OF PLACER  
PROCUREMENT DIVISION**

2964 Richardson Drive  
Auburn, CA 95603

TO: Honorable Board of Supervisors  
FROM: Brett Wood, Purchasing Manager *pmw*  
DATE: October 23, 2012  
SUBJECT: Declare Vehicles, Vehicle Parts, and Miscellaneous Items as Surplus and Authorize Disposal

---

**RECOMMENDATION**

Declare vehicles, vehicle parts, and miscellaneous items listed on Attachment A as surplus and authorize their disposal.

**BACKGROUND**

The Procurement Services Division has received a list of vehicles, vehicle parts, and miscellaneous items which the Department of Public Works, Placer County Fire, and Facility Services have identified as having reached the end of their useful life. The complete inventory is shown on Attachment A. Certain lower mileage vehicles on the list are being disposed of because they are unreliable or too costly to repair. The vehicles have been removed from service by all applicable departments and divisions.

On a previous agenda, your Board authorized the execution of contracts with Public Surplus, Gov Deals for on-line surplus and Brasher's Sacramento Auto Auction of Rio Linda for auctioneering services. All vendors have systems that will provide reporting on sales and allow us to monitor and manage sales to meet our policies and requirements.

Section 2.1 (i) of the Purchasing Policy Manual requires your Board's approval of surplus declarations that exceed \$2,500. While the eventual auction bid for some of the vehicles and miscellaneous items may not meet this threshold, we cannot determine the auction bids in advance, so all items with the potential to exceed \$2,500 are included.

**FISCAL IMPACT**

This action generates revenue which will be used by the County for future vehicle and equipment purchases.
