DEPARTMENT OF PUBLIC WORKS

County of Placer

TO: BOARD OF SUPERVISORS

DATE: April 18, 2006

FROM: <sup>KG</sup> KEN GREHM/WILL GARNER

SUBJECT: TRANSIT MOU - PRIDE INDUSTRIES/CTSA

---

## ACTION REQUESTED / RECOMMENDATION

Authorize the Board Chairman to execute a Memorandum of Understanding (MOU) with PRIDE Industries for transit services.

## BACKGROUND / SUMMARY

PRIDE Industries serves as the designated Consolidated Transportation Services Agency (CTSA) for Placer County. The CTSA receives allocations from the Transportation Development Act (TDA) fund to provide public transit services in Placer County. In that role, the CTSA has provided Dial-A-Ride and shuttle services to support and augment the Placer County Transit (PCT) routes for the past five years. This arrangement was developed as part of the Short-Range Transit Plan adopted by the Board of Supervisors in September of 2000.

Pursuant to the MOU, the CTSA provides three services: 1) Dial-A-Ride service in the Loomis and Rocklin area; 2) Dial-A-Ride service in Granite Bay; and, 3) a deviated route shuttle on Taylor Road between Auburn and Sierra College. These services meet the Americans With Disabilities Act requirements for accessible paratransit services as well as provide service in areas where there are no PCT bus routes. This MOU is for FY 2005/06.

## ENVIRONMENTAL

This project is statutorily exempt from CEQA pursuant to Section 21080(b)(10), as it is a project to provide passenger service.

## FISCAL IMPACT

The cost of this MOU is \$196,711 for transit service in Rocklin, Loomis and the County. The City of Rocklin and the Town of Loomis will reimburse the County \$110,235 for service within their jurisdictions. The remaining \$86,476 will be funded by County Transportation Development Act funds for service in the County. These expenses and revenues are included in the FY 2005/06 budget.

A copy of the MOU is available for viewing with the Clerk of the Board.
