Dear Jim,

Placer County has participated from the very inception (since 1977) as a sponsor of the **Auburn State of the Community Dinner**. We hope you will again consider playing a significant role as a sponsor this year recognizing people in our community who are making Auburn special for us all. This recognition dinner is a major public relations promotional event for our community. Sponsors will be recognized in promotional advertising, programs and table signs.

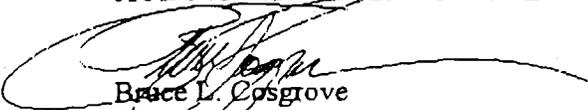

Sponsorship monies are allocated to offset the costs of special community awards given to those citizens honored each year. Awards are presented by the County of Placer, City of Auburn, Chamber of Commerce and other organizations to outstanding citizens working in education, health care, public service, agriculture, art and culture, and business. It is the "sponsorship monies" that make it possible to undertake this community recognition program. The **State of the Community** will take place on Friday, April 21, 2006 in the banquet room at The Ridge Golf Course.

The evening's dinner program will include a prospectus on the State of the Community by Mike Holmes, Mayor of Auburn, County Supervisor Jim Holmes, and Sherry Gilbert, Chamber President. Also, this year the McCann Award will be presented to an outstanding individual in the community who exemplifies the volunteer characteristics of Vern McCann, who earned the title "Mr. Auburn", and the Business of the Year award will be presented.

Jim, please once again join with us as a sponsor of this special community evening for Auburn.

Sincerely,

AUBURN STATE OF THE COMMUNITY COMMITTEE
