SUBJECT: CITY OF LINCOLN TRANSIT SERVICE MOU

---

### ACTION REQUESTED / RECOMMENDATION

Authorize the Board Chair to execute a Memorandum of Understanding (MOU) to provide transit service to the City of Lincoln.

### BACKGROUND / SUMMARY

Placer County first established a MOU with the City of Lincoln in FY 2000/2001 to provide Placer County Transit route service to Lincoln. Placer County Transit (PCT) operates the Lincoln-Sierra College Route, which provides local bus route service to Lincoln hourly from 6:00 a.m. to 7:00 p.m. on weekdays and from 8:00 a.m. to 5:00 p.m. on Saturdays. PCT's Auburn-Light Rail route connects with the Lincoln-Sierra College Route at the Roseville Galleria once every hour. In addition to the PCT route, the City of Lincoln also provides local route service within the city.

The attached MOU covers fiscal years 2005/06 and 2006/07. The total payment to Placer County for the two years is \$207,437 and is comprised of the following:

- \$172,427 for the Lincoln-Sierra College route to the City of Lincoln
- \$14,868 for the extension of the Auburn-Light Rail route from Roseville to Watt/I-80
- \$20,142 for capital costs for transit vehicle replacement

### ENVIRONMENTAL

This project is statutorily exempt from CEQA pursuant to Public Resource Code 21080(b)(10), as it is a project to institute passenger service.

### FISCAL IMPACT

The revenue from the City of Lincoln MOU covers all of the cost of PCT providing the above transit services to the City of Lincoln. The transit service provided under this MOU is included in the FY 2005/2006 budget and the proposed FY 2006/2007 budget and is consistent with the Short Range Transit Plan.

A copy of the MOU is on file for review with the Clerk of the Board's Office.
