BACKGROUND/COMMUNITY BENEFITS

As in previous years, the Board is being asked to support the Auburn Mermaids Synchronized Swimming Team. This is a non-profit organization. The team has historically been made up of fifty local girls ages 6 – 18. All funds designated toward this group will help purchase supplies and equipment. This year, the team is in need of a new sound system for use at practices and league meets. This activity encourages team work, coordination, grace and physical fitness for young girls everywhere.

Many of you have supported the Auburn Mermaids synchronized swim team in past years – Thank you! The support of our community is well appreciated by our swimmers and their families. We are a non-profit group, so all-financial support received is used to purchase supplies and equipment. This year, the team is in need of a new sound system for use at practices and league meets. We are hopeful that you'll consider a financial donation to help offset the costs for this much needed equipment.

Thank you for your consideration – Come see us at the water show in July! For more information, please contact Nancy at 530-885-9889.
