

MEMORANDUM
FROM THE OFFICE
OF COUNTY COUNSEL

TO: Honorable Board of Supervisors

FROM: Anthony J. La Bouff, County Counsel *ajl*

DATE: December 11, 2006

RE: 4th District Vacancy – Placer County Board of Supervisors

Action Requested: Appointment of a replacement 4th District Supervisor to the Board to serve the remainder of term vacated by now Assemblyman Ted Gaines.

Summary: Pursuant to the County Charter, your Board has the authority to appoint a resident of the 4th District to fill the vacancy created by the election of Assemblyman Ted Gaines to the State Assembly. Your Board has previously been provided a Memorandum of the County Counsel on this opportunity, attached as Exhibit 1.

Vacancy Posted and Distributed County-wide: Consistent with the November 20th direction of your Board, the vacancy was posted by the Clerk of the Board on November 27, 2006. A copy of the Notice is attached as Exhibit 2. This notice was posted on the Placer County Administrative Center (the Domes) Official Notice Board, as well as the building's front window, the Placer County Clerk/Recorder's Office, the front window of the Roseville Field Office (Cirby Hills), the Auburn, Roseville, Granite Bay, and Tahoe Libraries, South Placer Fire Station and the South Placer Municipal Utility District Office. A press release was issued to local news agencies and posted on Placer County's Webpage by the Public Information Officer on November 27, 2006.

Background: The deadline for filing of applications for the vacancy with the Board of Supervisors was 5:00 p.m., December 8, 2006. There is a residency requirement to apply for the vacancy, and Mike Boyle, Assistant County Executive Officer, has verified that the applicants have met these qualifications. Also pursuant to prior direction, the applications have been given directly to each Board of Supervisor for their review and consideration.

Procedurally, this matter will be called at the appointed time by the Chair of the Board of Supervisors. The Board of Supervisors is reminded that it must entertain public comment consistent with the Brown Act, but also consistent with the Brown Act the Board of Supervisors may limit the overall time it may allow in general for comment. Your standing procedural rules allow for 3 minutes per speaker. At the determination of

the Chair, motions for nominations may be made by an individual Supervisor with appropriate seconds. Counsel recommends that any vote be made by roll call.

The County Charter requires the unanimous vote of the remaining four members of the Board of Supervisors to fill the vacancy. The failure of any nomination to receive four votes at this meeting or any other properly noticed special meeting before noon on January 3, 2007 results in the opportunity to fill this vacancy passing from the Board of Supervisors to the Governor of California, Arnold Schwarzenegger.

If the Board of Supervisors successfully appoints an Applicant by unanimous consent, a representative of the Clerk Recorder's office will be present to administer the required constitutional oath. The new Supervisor takes office immediately, and can serve for the remainder of the board meeting of December 19, 2006, as well as for the remainder of the District 4 Supervisor's term of office.

The applications submitted as of 5:00 p.m., December 8, 2006, by order of date/time received are:

1. Kirk Uhler (Exhibit 3)
2. Gerry Brentnall (Exhibit 4)
3. James Wermes (Exhibit 5)
4. Kenneth Williams (Exhibit 6)
5. Mark Goudy (Exhibit 7)

Recommended Action: That the Board of Supervisors nominate, vote and if unanimous, appoint a new Supervisor for 4th District.

Dear Supervisor Santucci:

I am writing this letter in support of Kirk Uhler to serve out the remainder of Supervisor Ted Gaines' term. Mr. Uhler's political resume and life-long roots in the community are testament to his commitment to the continued improvement of Placer County. Dear Supervisor Santucci:

I am writing this letter to urge you and your fellow Supervisors to appoint Kirk Uhler to fill out the remainder of Supervisor Ted Gaines' term. Kirk's prior experience on the Board, his demonstrated commitment to the betterment of Placer County and his deep roots in the community are manifest, and serve as ringing endorsements for his appointment.

I have known Kirk for many years on a personal and professional level. He is devoted to his family, church and community, and has demonstrated exceptional integrity in his personal, political and community life. I could not conceive of another individual better suited for succeeding Supervisor Gaines. I urge the Board to appoint Mr. Uhler at the meeting on December 19.

Very truly yours,

Members of the Board:

Your decision on who will be appointed to the vacant District 4 seat on the Board of Supervisors is significant to our city even though we are not included in the boundaries of the district. You know better than anybody how decisions made by the Board impact the cities in Placer County.

That is why I feel it is important that the appointment to the vacant seat be filled by an experienced, thoughtful, and cooperative person. We have a long history of cooperation that is beneficial to us all. We need to keep that cooperation going.

I urge you to appoint Kirk Uhler to the District 4 seat on the Board. Kirk has the experience to hit the ground running and will not require an extensive learning period. He would bring carefully thought out positions, a cooperative attitude and extensive knowledge of District 4 and Placer County as a whole.

I can think of nobody better prepared to fill this important position in this time of significant decisions that will affect Placer County and its cities for years into the future.

I wish you well in your deliberations.

Dear Mr. Chairman,

Now that Ted Gaines has taken his seat in the Assembly, we understand that he has supported Kirk Uhler's appointment to finish out his term on the Board of Supervisors. My wife, Lia Walther, and I would like to support that recommendation. We know Kirk personally and are well aware of his history of service in politics. His generally conservative values match South Placer's demographics and needs well. He has the experience of a term on the Board of Supervisors. Of course, Ted's support is no small matter.

Lia has lived in Granite Bay, Roseville, or Rocklin her entire life excepting one college year. I'm a newcomer: I've only been here 17 years, practicing anesthesiology at the old Roseville Community Hospital and Sutter Roseville Medical Center. Placer's a great place to live, although it is changing rapidly. Kirk will serve our county well. We are,

Sincerely,

Dear Chairman Santucci: *Bill*

I am writing in strong support of the appointment of Kirk Uhler to the vacant District 4 Supervisor seat. I believe he is the best qualified person to fill the remainder of the current term.

I have known Kirk for the past 15 or so years. He has the experience of having served on the board in the past, so with only two years left on the term, it will take him less time to "learn the ropes".

I have served with Kirk on the Placer County Republican Central Committee. I ran for assembly against him in 1995. Kirk has always shown himself to be a gentleman. He can calmly discuss issues with which he may disagree with you. He has the ability to consider what you have to say, and then make his decision. He has always been respectful.

I believe Kirk will represent the people of the Fourth Supervisor District better than anyone. Kirk has grown up in the district; he lives there now. He knows the district and most importantly, he knows the people who live in the Fourth District.

Placer County Board of Supervisors
Care of Supervisor Jim Holmes

Auburn, CA.95603

Dear Jim:

As an original constituent and a school board trustee for the area that Ted Gaines had been serving, I have a vested interest in the governing of the County. At this time, I decided to contact you since you serve my personal residential area and from our contact during the last election cycle. My intent in this letter is to directly request that Kirk Uhler be appointed to the open slot vacated by Ted Gaines.

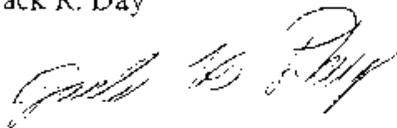

I believe, Kirk would be the appropriate appointee in that he would already be familiar with the workings of the Placer County Supervisor position because of his former supervisory experience during the 1992 - 1996 term. He understands the complex politics of the region and I am certain will look for win win solutions on difficult issues rather than resorting to adversarial stands. As a longtime resident of the area he understands the needs of the County and can successfully help in implementing the strategic goals of the Board. I see his involvement in the County as a positive result because he will have a running start with his intellect and experience that could only benefit the County.

Obviously, we could recite all of his accomplishments in business, politics, government, and charitable areas. He has been involved and contributed to a number of successful startup businesses, numerous government outcomes and committees, and political party committees.

Most importantly his priorities properly start with his faith and family. As a friend I know he lives his life with integrity and would be above reproach which would serve him well as a trusted colleague on the Board. As a trustee for the Loomis Union School District, I believe he reflects the character of our community and would therefore be an outstanding appointment for the position.

Thank you for your attention to my recommendation and for your service to our community.

Dear Chairman Santucci:

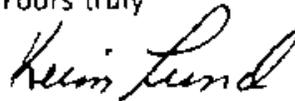

As a resident of Placer County Supervisor District 4, I recommend the appointment of Kirk Uhler as the 4th District Supervisor.

This is only a two year term. Since it takes time to learn the system, I believe that Kirk's previous experience as Supervisor gives him a foot up. His experience on numerous committees in the past will make him a more effective Supervisor.

Since leaving the Board of Supervisors Kirk has worked in the private sector; thereby gaining business experience, which will make him a better supervisor.

As a life long resident of Placer County, Kirk knows the district and the people. His children were born in Placer County, his wife is from Placer county. Kirk's family ties are in Placer County. This is, and always has been his home.

Dear Sir:

The formality of this letter corresponds to the seriousness of the recommendation contained herein.

Supervisor Ted Gaines will soon vacate his current position on the Board of Supervisors to assume his newly elected seat in the California State Assembly. His efforts on behalf of Placer County have been deeply appreciated and he will make a fine and able Assemblyman.

Coincident with Supervisor Gaines' election and the assumption of his new office there occurs a vacancy on your Board. This circumstance, as you know, allows your Board to fill that vacancy through a unanimity vote, else wise the appointment becomes the prerogative of the Governor.

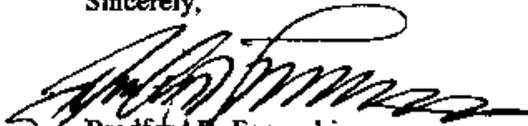

I have learned that Kirk Uhler has decided to place his name before your board as a candidate for consideration of a vote of unanimity to reestablish a complete Board.

Kirk Uhler brings all the credentials one could hope for in a Supervisor. Additionally, he brings the experience of having once been a Supervisor in this very County. That experience includes knowledge of the County, its strengths and its challenges, as well as the additional positive background of having worked with others on the Board and in County Government.

If you are so inclined, please consider this to be my recommendation to you and to the Board to exercise your votes unanimously for Mr. Kirk Uhler. He will apply his knowledge and skills to bear for the best interests of the county and his installation will allow you, as Board members and citizens of Placer County, to reconstitute the Board of Supervisors to its fullest strength.

Thank you for your time and for your courtesy in considering this recommendation.

Sincerely,

Bradford R. Fenocchio

CLERK OF THE BOARD OF SUPERVISORS

Dear Chairman Santucci:

I am very pleased to support the appointment of Kirk Uhler to the fill the vacancy on the Board created by the election of Ted Gaines to the California State Assembly. As an owner of property in Placer County for almost 25 years and a resident in the Loomis area for almost 15 years I have had the opportunity to work and know Kirk on both a professional and personal level.

Kirk has been a life long resident of the Placer County. He previously was elected and served on the Board of Supervisors from 1992 to 1996. He served on numerous committees and commissions while on the Board and since.

He is a proven dedicated worker for the voters in the 4th District and has never lost an election in that district. The voters both respect and trust Kirk to do what is right for our area. He and his family have exhibited what commitment to your community means - and we enjoy knowing them

One of the most important responsibilities members of the Board have is filling a vacancy. That responsibility should never be ceded to any other elected official - that decision should be kept local. There is no question that Kirk Uhler is the best choice and should be selected to fill the current vacancy.

I would ask you all to please select Kirk to join you on the Board so that Placer County can continue to have the finest and most respected Board of Supervisors in the state

Thank you in advance for your thoughtful consideration. If you require any further information or have questions on anything I have provided, please feel free to contact me.

Very sincerely yours,

MEMORANDUM
from the office of
PLACER COUNTY COUNSEL
Extension 4044

TO: Honorable Board of Supervisors

FROM: Anthony J. La Bouff, County Counsel *AJL*

DATE: November 20, 2006

RE: Placer County Board of Supervisors Seat Vacancy Considerations

On November 7, 2006, Supervisor Ted Gaines was elected to the California State Assembly. Supervisor Gaines will take office on December 4, 2006. No later than his swearing in, and earlier if Mr. Gaines chooses to resign, a vacancy will occur in the Board of Supervisors.

The Placer County Charter states that a vacancy on the Board of Supervisors may be filled by appointment by the remaining members of the Board of Supervisors only if the appointment is unanimous and accomplished within 30 days of the occurrence of the vacancy.

Sec. 206 Vacancies. If a vacancy occurs on the Board of Supervisors, it shall be filled by the unanimous vote of the remaining members, and if they shall fail to make such appointment within thirty (30) days of the occurrence of any such vacancy, then such vacancy shall be filled by the Governor; provided that any appointment under this section shall be of a person who for at least thirty (30) days prior to his appointment has been a resident of the supervisorial district in which the vacancy exists.

The Maddy Local Appointive List Act of 1975 (Cal Gov Code § 54974 et seq.) requires that notice of any unscheduled vacancy on a county board or commission be posted within 20 days of the occurrence of the vacancy, and the vacancy cannot be filled for ten working days after the notice is posted.

§ 54974. Notice of unscheduled vacancy

*(a) Whenever an unscheduled vacancy occurs in any board, commission, or committee for which the legislative body has the appointing power, whether due to resignation, death, termination, or other causes, a special vacancy notice shall be posted in the office of the clerk of the local agency, the library designated pursuant to Section 54973, and in other places as directed by the legislative body, **not earlier than 20 days before or not later than 20 days after the vacancy occurs. Final appointment to the board, commission, or***

committee shall not be made by the legislative body for at least 10 working days after the posting of the notice in the clerk's office.
(Emphasis Added.)

(b) Notwithstanding subdivision (a), the legislative body may, if it finds that an emergency exists, fill the unscheduled vacancy immediately. A person appointed to fill the vacancy shall serve only on an acting basis until the final appointment is made pursuant to this section.

Because complying with the Placer County Charter and State Law in this case requires careful coordination, I respectfully suggest that the following procedure be followed when the vacancy occurs due to resignation or by operation of law.

Immediately upon receipt of a resignation letter, or no later than December 4, 2006 at 9:00 a.m., County Counsel will direct the Clerk of the Board to immediately post the vacancy. (Attachment A – Vacancy Notice)

Applicants will be required to submit a completed Application to Mike Boyle, Assistant County Executive by 5:00 p.m. of the 5th working day following the posting of the vacancy. This date will be stated in the Vacancy Notice. I recommend that the attached Exhibit B be used. This Application form is a modified version of one used by Governor Schwarzenegger when he is called upon to make Board of Supervisor and Commissions and Committee appointments.

The Assistant County Executive will review the applications to ensure that the applicant will have resided within the boundaries of the supervisor district for a minimum of 30 days before the date of the appointment. After this check, he would forward to the Board without delay a copy of every application received.

In light of the short time frame provided by the interplay of the two described laws above, I do not recommend that formal interviews be held with the Board of Supervisors sitting en banc. If such formal interviews are set, they will require notice of special meetings and public interviews in compliance with the Brown Act. Of course, individual meetings of any applicant with any of the Supervisors separately at the applicant's request would be up to individual Board member's discretion. It is not required nor is it disallowed.

I will agendaize the appointment for the first board meeting following the 10th working day after the posting of the vacancy (December 19, 2006).
