## **ACTION REQUESTED / RECOMMENDATION**

Adopt a Resolution approving the project plans and specifications for the Willow Creek Drive Extension Project; authorizing the Chairman of the Board to sign the cover sheet; and authorizing the Department of Public Works to advertise for bids.

## **BACKGROUND / SUMMARY**

The Department of Public Works is proposing to construct a new two lane roadway from the existing terminus of Willow Creek Drive, just west of SR 49 westward, into the Dewitt Government Center. The roadway will extend to 1<sup>st</sup> Street at F Avenue. A roundabout will be constructed at the intersection of 1<sup>st</sup> Street and F Avenue. This project will increase access to Highway 49 and increase the operational efficiency of the highway.

## **ENVIRONMENTAL**

A Mitigated Negative Declaration was prepared in accordance with the California Environmental Quality Act (CEQA) for the Willow Creek Drive Extension Project and approved by the Board on May 29, 2001 and a notice of determination was completed for this project.

The Board of Supervisors hereby determines that no new information has become known, and no substantial changes to circumstances under which this Mitigated Negative Declaration was prepared have occurred. Therefore, this Board approves this action in reliance on the previously adopted MND #EIAQ-3608.

## **FISCAL IMPACT**

The total construction cost for the Willow Creek Drive Extension Project is estimated to be \$2,199,000. The State Transportation Improvement Program (STIP) and County Road Fund will fund this project. Funding for construction of the project is included in the 2006/2007 Fiscal Year Budget.
